

EXTEND our influence and work. Feeling this and depending upon the same if not greater support during the coming year than during the past, we have added to our staff of teachers at an increased expenditure of \$1,000 a year. Let EACH ONE do what he can and we are confident of success. Let every one remember that the work of Wycliffe College is almost entirely dependent upon these voluntary subscriptions from year to year. If these fall off the work must suffer, if these increase so can the work of educating earnest spiritually minded ministers for our Church as carried on in the past by Wycliffe College.

Faithfully yours,

S. H. BLAKE,  
STAPLETON CALDECOTT,

*Treasurers.*
