SMALL RIOT IN RUSH FOR TICKETS.

Women Faint and Two Big Doors Are Shattered At Toronto Arena.

Toronto, Feb. 20.—There was another wild-eyed rush for tickets for the Dental-Tiger O.H.A. game on Saturday night this morning, and a small riot ensued when the one ticket office was opened. Women

fainted, two big doors were shattered and men had the buttons torn off their coats in the jam, which was five deep, most of the people in line having been on the job since three or four in the morning. The crush became so great that finally H.H.H. the office was closed before the full allotments had been distributed and there was a near-riot. One spectator, who it was said, had many girls in the line, was arrested. Though the better are quoting

even money on the round, the Dentals are 7-5 favorites for the game on Saturday night. Harry Watson may replace Renie as one of the Dentals' spares. He is a returned soldier. Otherwise the team will be unchanged from the last game, which the Dentals won 4-2.

Portfolios in the Saskatchewan Cabinet have been rearranged. Fire did considerable damage to the Belleville Bottling Works.

Seniors and Newman Hall Here To-night

Soft Ice Guaranteed

WILL BE DANGEROUS GAME
Tonight promise to be sixty minutes of danger for the locals. Sticky ice at the auditorium which will be soft in no time will not help the local boys any.

Tonight's game will be just a critical as the one in Toronto although if the ice was hard there would be no doubt of the outcome.

Newman Hall have O'Brien in the nets, Lafamme and Bud McLean on the defense. Dunn, Doyle and Dop on the forward line.

Should the locals lose out this evening group honors go to St. Pats without another struggle, however, the locals are not out to throw anything valuable away and it will be some fight, whether its on soft snow or hard cement, a real game is in store alright, alright.

Seek Franchises in Lee's Circuit
Brantford Feb 20—Grand Rapids and Battle Creek have applied to "Knotty" Lee for berths in the Ontario-Michigan League. It was their intention to join a new circuit embracing certain Central and Three-League cities but the International circuit has aroused so much favorable comment in Michigan that they are desirous of getting franchises in the organization back by Lee and T.J. Nelson.

Brantford Parks Under Discussion
Brantford Feb 20—The grounds question here has been brought to the fore by the request of the Brantford Baseball Club to the Parks Board to hold a special meeting to-morrow night to allot grounds for the year.

The soccer men have decided to ask for the use of Mohawk Park, Wu the amateur baseballers have as yet made no preparations. The G.W.V.A. which will organize baseball football and cricket teams want the use of Agricultural Park, the only enclosed grounds for civil holidays. The reason for asking for the special meeting is that T.J. Nelson and F. Westbrook go to Lansing on Saturday to attend the organization meeting of the Ontario-Michigan League.

TUXIS WIN FROM SANS SOUCI.

A very fast and exciting game of basketball was played at St.

Mary's Hall last night between the Tuxis Club and the Sans Souci Fraternity. The Tuxis Team succeeded in winning by a score of 27-15. The star of the Sans Souci team was Powers, while Roberts and Wagner starred for the Tuxis. The line-up was as follows:
