OUR BULLETIN.

WE have great cause for thankfulness to the Lord for the amount of money He has sent us by the hands of His servants during the year past, and we are still looking to Him for the needed supply to close the volume free from debt. If any of the friends feel led to contribute toward this fund, we shall receive it thankfully. Our paper has been much owned of God, and we have received testimony from Pastors and from Christian workers as to benefits derived therefrom. The next number will close our volume, and will also, to all appearances, close our connection with the paper. We hope to be able to hand it over to our successor free of all encumbrance.

A HAPPY GATHERING.

ON Monday last 100 persons (who profess to have received benefit from the recent Moody meetings) sat down to tea at 7 p.m., in our Free Reading-Room. At 8, when the chair was taken, over 150 had gathered. Addresses were given by Rev. P. McF. McLeod, Chairman; Rev. J. Matheson, Mr.

Blessed is the man that trusteth in the Lord.
