

# 16 CORRESPONDENCE RELATING TO THE ESTABLISHMENT OF

give the House a reliable and decided answer. My own impression, however, is, that the House can exercise a direct control only over the revenue raised in the colony through the act of the general Legislature.

The revenue derived from the tax on licensed houses is therefore, I conceive, the only fund absolutely at our disposal; the proceeds arising from "land sales," "royalties," and "timber duties" being remitted and placed to account of the Reserve Fund in England, which is, however, also exclusively applicable for colonial purposes, with the exception of 10 per cent., allowed by virtue of the charter of grant to the Hudson's Bay Company.

The amount of revenue derived from the duty on licensed houses, for the respective years mentioned, is given in the annexed table:—

								£.	s.	d.
Year 1853	-	-	-	-	-	-	-	220	-	-
" 1854	-	-	-	-	-	-	-	460	-	-
" 1855	-	-	-	-	-	-	-	340	-	-

Those sums are also embodied in the abstracts of the colonial accounts transmitted to the House.

Mr. Speaker and Gentlemen of the House of Assembly,

I HAVE received your address, through Mr. Speaker's communication of the 6th December, and I thank you, gentlemen, for your kind message.

I herewith transmit, for your information, an abstract of the expenditure and income of the colony, made up to the 31st day of October last, excepting, however, the income derivable from the royalty on coals, and the duty on timber, of which a statement will be sent to the House as soon as the returns are received.

With respect to your inquiry touching the application of the duty on licensed houses for the year 1856, I have to inform the House that the whole sum derived from that source of revenue was paid over to the Hudson's Bay Company immediately after collection, and was carried, with the other proceeds of revenue, to the credit of the General Colony Account, as shown by the abstract of the year's income transmitted with this communication.
