## Rain=Proof . . . .. Dress Goods.

Some of the most beautiful street dresses worn are rain-proof—absolutely rain-proof—yet nothing about their appearance indicates their nature, and even the closest examination of the goods fails to reveal it.

This make of goods is known as Cravenette. 'Tis made in light, and medium weights—in Navy, Myrtle, Brown, Grey, Castor, Black—six colors.

'Tis porous, cool, absolutely odorless and beautifully soft and pliable.

All Dress Goods Houses keep it.
