

The **SURPRISE** Way.

READ the directions on the wrapper.

- 1st. Commence by dipping one of the articles to be washed in a tub of luke-warm water. Draw it out and rub on the "SURPRISE" lightly, not missing any soiled pieces. Then roll in a tight roll, put back in the tub under the water and let it stay there half an hour. Do all the wash this way.
- 2d. After soaking for this time, rub lightly on the wash-board; the dirt will drop out.
- 3d. Then wash lightly through a luke-warm rinse water, which will take out the suds.
- 4th. Next rinse through a blue water. (Use scarcely any bluing. SURPRISE takes the place of bluing). Wring them; hang up to dry without boiling or scalding or any more rubbing.

The wash will come out sweet, clean, white.

THE FATHER MATHEW REMEDY

Is a certain and specific cure for
INTOXICATION, and destroy all
appetite for alcoholic liquors

Price: \$1.00

HOW IT WORKS.

From the very first doses, a feeling of general relief is experienced, as if the system was awakened to the consciousness of a better mode of life.

It never takes more than three or four bottles to work a complete change in the former condition of the stomach, and to create a strong appetite for regular and substantial food, with the ability of properly digesting the same.

Nervousness and sleeplessness have also disappeared

While the system is thus being built up again with its natural materials, while the natural stimulant is thus being restored to the circulation, the desire for liquor or artificial stimulant gradually decreases in the same proportion, and after an average of three weeks' faithful use of the Antidote, the system can do without liquor or artificial stimulants, and does no longer call for them; the patient is cured. He was a slave to disease; he is now again his own master, in good health.
