The excellence of the magazine during the past year has been a matter of such general comment among subscribers that we hope you, too, may give it the sanction of your approval by sending in your renewal right away.

We feel that you will rejoice with us in the fact that the year just passed has been the most successful one we have ever enjoyed.

The plans for the future will continue to justify our position as the foremost Canadian Magazine. Explorers in far-away lands, scientists working quietly in famous laboratories, authors of wide repute everywhere, are preparing for you a wealth of material—novel, splendid and unequalled. Artists, too, are at work under conditions ensuring results which only "The Western Home Monthly" can afford.

Our subscription price is now \$1.00 a year, or three years for \$2.00. The best Magazine value on the Continent.
