This is a notice from

Terry Tales By Terry Powell

Hi - and A Merry Christmas to you. No, it's not too soon - already people are hailing people with that warm well-known greeting - and meaning it. That's the important part of greeting people, to mean it sincerely when you say it.

I don't know if it's the square in me, but I love shopping locally - and I do not like to get involved in the masses of people and products in the great, wild downtown areas. I know a few of my relatives and friends are going to receive French Maid lingerie from me. We have it right here, and it's dainty and pretty. Speaking of gifts, we also have some delightful lounging sets here at Miriam's - bring your husband in and let him choose one for you. Our cocktail gowns and evening wear are beautiful - and priced within anyone's reach. You'll need more than one, you know. Have you seen the gorgeous tapestries from Europe? They'd look marvellous in your den - or over the fireplace.

We have a number of Roxanne's paintings here - she is really an artist. Her flowers glow and look almost as though you could pick them from the frame. (Watch for her display in the Newport Hotel during January.) Speaking of magic (and aren't we) we carry a full line of Holiday Magic, and during January, we will demonstrate how magically these cosmetics bring you to life. Drop in real soon - the coffee is always hot. Miriam's Fashion Studio is at 6 Elizabeth South, in Port Credit - directly opposite Loblaws parking lot.

Seasonal shopping? See HFC

Shopping for everyone makes this an expensive time of year, all right. That's why we suggest you get a Holiday Loan from Household Finance. It'll cover all your seasonal shopping - or traveling or whatever. Later, repay Household conveniently. And you'll like the fact that HFC tells you in advance what your loan will cost. Planning your seasonal shopping? Get a Holiday Loan from HFC.

Before you sign on the dotted line, know what your loan will cost.

Borrow up to \$5000
Take up to 60 months to repay

Ask about credit life insurance on loans at low group rates.
