7. April 1885.

Sir,

*Account in the Public Works Section Reserves*

We beg to enclose a plan of lands near Boat Harbor, Pictou County, Nova Scotia, belonging to Mr. Robert P. Fraser of Pictou N.S. which he is willing to sell on reasonable terms for the use of the Indians

The lot contains about 30 Acres and adjoins the present Indian Reserve. The price asked is Three hundred and fifty dollars (\$350.)

As we understand the lot is much needed to enlarge present Indian Reserve and, as the price is moderate, we hope you will be able to make provision for its purchase.

We are, Sir

Your most obt.

John M. D.
