Sir,

On the 15<sup>th</sup> inst at a meeting held by the Alnatis I was informed by them that they would derive no advantage in accepting the reserve which for such a long time had been promised to them, within the boundaries indicated on the plan of the Province of Quebec, which was sent to me by Mr. Tachi the Deputy of the Crown Lands Dept of Quebec.

I have also been requested by them to take such steps as will involve a solution of this question, either by commutation or by obtaining land in a district more habitable than the one shown
