Ottawa, October 9, 1919

MEMORANDUM OF PHONE CONVERSATION  
WITH MR. A. B. COPP, M. P.

Mr. Copp said Liberal Members of New Brunswick had had a meeting, but thought it best to confer with other friends in the Province before naming members of National Liberal Organization Committee. He would see Premier Foster, and send me the names within ten days. Both Mr. Foster and the Liberals in the House have the matter under advisement.
