Ottawa. Nov. 29th. 1918.

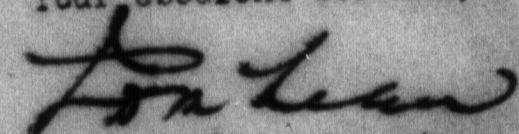

Sir:-

The Indians of the Bersimis band have asked that the Department should endeavour to secure for them the fishing rights on the Bersimis river.

I would be pleased to receive information as to the present owner of these rights, the length of tenure of lease and whether or not it would be permitted to transfer such lease.

A copy of the regulations covering fishing in this river would also be appreciated.

Your obedient servant,

Asst.-Deputy & Secretary.

Sergius Dufault Esq.
Deputy Minister
Dept. of Fisheries.
