## MEET WENT TO YANKEES

Yale and Harvard got away with  
Cambridge and Oxford in the  
Athletic Contest.

Took Six Events out of the Nine—Englishmen Carried off the Honors in Distance Runs.

New York, Sept. 25.—The athletes of Yale and Harvard met the athletic representatives of Oxford and Cambridge universities to-day at Berkeley oval in track and field events, and as was expected, the brawn and muscle of the American collegians proved to be too much for the visitors. The Americans winning six out of the nine events on the program. Points were counted for wins only, so that the Harvard and Yale men defeated their English opponents by a score of 6 points to 3. Between the American universities honors were equally divided, Harvard and Yale each winning three events. The Oxford representatives failed to gain a point for the visiting team, the light blue of Cambridge being in front in all three contests which were won by Englishmen. Summaries:

### PAUL CZOLGOSZ SAW HIS SON.

Buffalo, N. Y., Sept. 25.—Paul, Waldeck and Victoria Czolgosz, father, brother and sister of Leon Czolgosz, the assassin, were granted an interview with Leon in Erie county jail to-day. The interview lasted 35 minutes, but no information leading to the implication of anyone else in an anarchist plot was given by the assassin.

We learned nothing that we did not know before," said Assistant District Attorney Haller. "He talked more than he has at any previous time, but even to his family, he was not very communicative." The family returned to Cleveland immediately.

## RECORD OF THE PAST WEEK IN ROUNDING UP BOERS

Attempted Invasion of Natal Proves a Failure—Canadian Scout Killed—Boers Repulsed and Driven Back.

London, Sept. 25.—Lord Kitchener reports that 29 Boers have been killed, 16 wounded and 350 made prisoners, and that 48 have surrendered between Sept. 16 and Sept. 23.

### DRIVEN FROM NATAL.

London, Sept. 25.—The War Office has received a despatch from Lord Kitchener stating that the latest information from Natal is to the effect that the Boers who have been raiding there are returning to the eastward and north-eastward. Despatches from South Africa to-day say Lieut. Rundle has driven the Boers back to Nkand, south of Vryheid, on the Natal border. Capt. Goetze, of Commandant Beyers' Scouts, has been captured near Pietersburg.

### THE BLUE JACKETS TO BE USED.

London, Sept. 25.—A despatch to the Exchange Telegraph Company from Cape Town says that the British cruiser Barracouta has arrived at Simon's Town, and that all the available blue jackets will be used in the trenches to defend Mossel Bay. (Mossel Bay is 242 miles east of Cape Town.)

### NO HELP FROM HOLLAND.

The Hague, Sept. 25.—Dr. Kuyper, President of the Ministerial Council, and Minister of Foreign Affairs, de-

clared in Parliament yesterday that the new Ministry did not intend to take any action favoring the Boers, but would accept the situation as left by the preceding Cabinet.

### THE REPLY OF HAGUE TRIBUNAL.

Brussels, Sept. 25.—It is authoritatively stated that the permanent council of the International Court of Arbitration will declare itself incompetent to deal with the appeal of the Boer delegates for arbitration.

### CANADIAN SCOUT KILLED.

London, Sept. 25.—The following are official reports concerning the Canadian Scouts in South Africa:—Killed—37,591, John Dougall, at Duster's Rock, on September 15th. Dangerously ill—Sergeant J. J. Walsh and Sergeant John Flustlove Wood, enteric fever, at Pretoria, on September 19th.

### RECRUITS NOT COMING IN FAST.

London, Sept. 25.—The result of the Government invitation to the Imperial Yeomanry to re-enlist has proved a great disappointment. It was expected that a majority of the men would rejoin. Instead of this, the first week witnessed only thirty applications. New measures will have to be taken to secure recruits. The trouble is largely due to the fact that the men had to wait for months before getting their arrears of pay settled. The commanders of the first three army corps under the decentralization scheme of Mr. Brodrick, the Secretary of War, Gen. Sir Evelyn Wood, Gen. Sir Redvers Buller and the Duke of Connaught respectively.

## SHAMROCK AND COLUMBIA READY FOR THE START

First American Cup Race To-day 15 Miles out and Return—The Weather Prophets Differ—Challenger's Backers Slow to bet.

### RACING WEATHER.

Washington, Sept. 25.—The official forecaster, Frankford, of the weather bureau, to-night made the following prediction of the weather for to-morrow's yacht race: "We will have to-morrow off Sandy Hook light to fresh north to northeast winds, fair weather."

New York, Sept. 25.—Weather sharps and yachting experts unite in predicting that a breeze will blow to-morrow that will give the Shamrock and the Columbia a race which will be memorable in the long series of cup events. If weather conditions of to-day presage anything, this prophecy will be fulfilled. After four days of almost calm weather a rattling breeze blew in from the northeast early this morning, and at sunrise it had reached half a gale.

Neither Sir Thomas Lipton nor Mr. Duncan cared to risk a trial run under the conditions of wind and water that prevailed in the first half of to-day, but at 2 o'clock when the wind had fallen the Columbia's mainsail was hoisted and a few minutes later she filled away and set out for a short spin. The Shamrock lay at her moorings all day.

To-night the two yachts lie within

hailing distance of each other, swinging at their moorings to a good breeze, in which lies the hope of to-morrow's race. All has been done that skill and expenditure could suggest and none of the principals will make a prophecy as to the outcome. Only the betting shows the trend of opinion and the prevailing odds are 10 to 8 on the American boat.

As in the case of two years ago, the course will be patrolled by a fleet of revenue cutters, in command of Capt. Walker, of the revenue marine service, and the yachts will have an unobstructed course of at least a mile wide. As is usual in all American cup contests, each club will be represented on the opposing yacht. W. Butler Duncan, who during the past season managed the Constitution, will represent the N. Y. C. on board the Shamrock II. On board the Columbia will be H. M. Gildowney, a member of the challenge committee of the Royal Ulster Yacht club, a gentleman of wide yachting experience.

The first race to-morrow will be a 15-mile run to windward or leeward and return.

London, Sept. 25.—The Yachting World to-morrow will say: "British yachtsmen are quietly confident regarding the chances of the challenger. Should she win they will, it goes without saying, greatly rejoice; but they have been so used to defeat in the past that they will not be particularly disheartened should the Columbia prove to be better than the Shamrock."

## BIG RUMPUS READS HEADS

Between Minto and Laurier Over the Distribution of Royal Honors.

Ottawa, Sept. 25.—There is a rumpus on between Premier Laurier and Lord Minto over honors which were conferred on Canadians. Some of these honors, it is well known, were bestowed by the Canadian Government. They were recommended by the Governor-General without the advice of his Government. Lord Minto, it is understood, takes the view that he does not require to consult his advisers in matters of this kind.

In theory his Excellency is no doubt right, since the honors bestowed are Imperial ones; but in practice he is scarcely correct. For the past 25 years at any rate the Governor-General has always consulted his advisers in regard to honors recommended for services rendered to the Dominion. That was the general understanding between the Canadian Government and the home authorities. This is a matter which Mr. Chamberlain will be asked to straighten out.

### TROOPS ORDERED OUT.

Frankfort, Ky., Sept. 25.—Gov. Beckham has ordered out the Owensboro and Bowling Green troops to go to Madisonville in response to a report by State Inspector Hines, who has been there to investigate the coal-mining trouble.

### Prof. Cozens Opens his Phenological Course in Maple City Last Night.

Prof. Cozens, the well-known phenologist now in the Maple City, opened his course of lectures in Northwood's Hall last evening. He dealt with the subject of phenology in its varied phases, illustrating his entertaining remarks by measurements and sketches of typical heads and faces.

The professor is decidedly an entertaining and interesting speaker, and his address was heartily enjoyed by the audience present.

At the conclusion of the lecture Professor Cozens invited a number from the audience to the platform, where he gave a public reading of their heads, to the interest and amusement of those present.

To-night the professor will again lecture at the same hour.

### OVER NIAGARA FALLS.

Bay City, Mich., Sept. 25.—Mrs. Annie Taylor, of this city, who is looking for fame and the almighty dollar, is scheduled to go over Niagara Falls next Saturday in a barrel built after designs of her own. It is said she needs the money to pay off a mortgage on a ranch in Texas, and that she will make a tour of the dime museums—if she survives the trip.

## GRIEVANCE OF MINISTERS

They Want to Know Why They Were not Included in the Reception to Royalty.

Only Anglicans and Catholics Invited—Has Caused Much Feeling Among Presbyterians and Methodists.

Ottawa, September 26.—The exclusion of the clergy of various denominations, except Anglicans and Roman Catholics, from the reception of the Duke and Duchess of York is prominently to the front and a large number of ministers have been interviewed on the subject to-day. All of them complain of the religious bodies they represent having been ignored, and in most cases express the opinion that there should be no more distinctions between the religious bodies in the slightest degree, implying a recognition of anything approaching the condition of a state church.

Enquiries on Parliament hill this morning elicited a number of frank expressions of opinion that there should be no recognition of one church to the exclusion of others. The authorities had to follow the Canadian order of precedence, but the general feeling appears to be that the order should be amended and provision made for all religious bodies alike, those having no archbishops or bishops as titular heads to be entitled to their organized bodies, such as the Methodist conference, Presbyterian assembly and so forth, to select their regular representatives, to whom invitations may in future be addressed for all such functions. Feeling is so strong here on the subject that the Government may find it necessary to discuss the precedence question on Sir Wilfrid's return and come to some arrangement as above outlined.

### CARRIE NATION AT TORONTO.

Toronto, Sept. 25.—Carrie Nation lectured to an audience of about a thousand people to-night, and made an impassioned appeal to the temperance people of Toronto to inaugurate a saloon-smashing crusade, for unless they smashed, they themselves would be smashed. She urged them to "go out and smash if the strength of the Lord, and in a body." His good angel would go with them. Moses and Nehemiah, she added, were saloon-smashers.
