

For Agents, Capitalists, Builders,
Carpenters and Trading Men.

NEW INVENTION.

ARTISTIC BAY WINDOW

Or Common Windows Changed to Bay Windows.
New in Theory, New in Principle, New in Application. The
Latest Architectural Idea. Universally Endorsed.
Exceedingly Popular, and Selling Rapidly.

THIS great building improvement is becoming very popular wherever introduced. It adds greatly to the comfort and appearance of new buildings and makes old buildings have the appearance of modern ones. Is very ornamental. Makes rooms cooler in summer and warmer in winter. Creates a circulation of the air and keeps the heat of the sun from the room. The old blinds are used as part of the improvement. No change made in the glass or sash. Carpenters and Builders that want to make from \$10 to \$50 per day instead of the regular wages, will find it just the thing.

Parties with Means looking for a business that pays largely can purchase to 20 countries and sell out by counties to carpenters and builders or realize a steady income from royalty. I employ no Agents but sell territory in quantities at low prices, so that the profits are very large. In some cases exceeding \$500 per month. I furnish models and drawings to purchasers and give full instructions. It is not necessary to be a carpenter to sell territory. Send stamp for circulars, engravings and terms. I make easy terms with carpenters on first county to introduce it.

HAVING acquired the sole Patent right (patented in Canada, March 6th, 1882) for all the counties west of Ontario, in the Province of Ontario, I am prepared to dispose of the same to Builders, Carpenters, or parties with moderate capital, who will find large returns by the purchase of the rights for one or more counties.

Communications, enclosing stamped envelope for reply, addressed to FRANK WOOLLEN, P.O. Box 2640, or Imperial Buildings, 30 Adelaide St. East, Toronto, will receive prompt attention.

AN ENGLISH VETERINARY SURGEON AND CHEMIST, now traveling in this country, says that most of the Horse and Cattle Powders sold here are worthless trash. He says that Sheridan's Condition Powders are absolutely pure and immensely valuable. Nothing on earth everywhere, or sent by mail for eight letter-stamps. I. S. JOHNSON & CO., BOSTON, MASS.

BEWARE OF IMITATIONS.—Since Dr. Thomas' Electric Oil has become cele-
brated, a number of unprincipled persons
have been endeavouring to palm off
Electron and Electric Oil for the genuine
Dr. Thomas' Electric Oil. Beware of
these similar named articles. If the
originators had any faith in the healing
properties of their own medicines they
would, like honest men, give them a
name of their own, and not try to sell
them on the reputation of another; but
as they know their preparations have no
merit, they resort to the most unprin-
ciple means of selling them by getting a
name as near as possible to *Electric*.
We therefore ask the public when pur-
chasing to see that the name Dr.
Thomas' Electric Oil is on the front of
the wrapper, and the signature of North-
rop & Lyman, the proprietors for Canada
on the back.
