

"The Waugh Way Wins"

A Perfect Tribute

THE Tonopah Extension Mining Company, speaking through its Master Mechanic, Mr. H. A. Reid, says of the Waugh Model 8 Drill Sharpener:

"As we have been using one of your Waugh D. S. 8 drill sharpeners at the Tonopah Extension in Tonopah, and one at the White Caps mine in Manhattan, for a period of over three years with most gratifying results, I wish to state that we consider it the best sharpener on the market today.

"We have used several different types of machines, changing makes to keep abreast of improvements as they came up. * * * * *

"To date we have purchased no repairs for any of the equipment, and we consider the Waugh D. S. 8 to be the best machine we have ever used from every standpoint, as to low upkeep, durability, low air-consumption, and efficiency."

Tributes of this sort not only point the way to contentment and efficiency in the mine blacksmith shop but afford further proof of the well-known fact that

"The Waugh Way Wins."
