PROVINCIAL NEWS

HARTLAND, N. B., June 3.—The
 forest fire that has been causing so
 much anxiety during the past few days
 is this morning subdued to a consid-
 erable extent. That at Rockland (Cold-
 stream) has been quenched and a favor-
 able wind protects the village.
 Last night was calm and the fire had
 much danger would still follow.
 At Windsor, twelve miles from here,
 another fierce brush fire has broken out
 and all available men in that locality
 are out fighting the flames, for not only
 is the forest itself endangered, but
 the buildings.
 In Carlisle, Ashland, in Simond,
 Widdow and Wilmet, in the northern
 parts of the county and in some locali-
 ties in the southern portion, there are
 raging and much wood is being destroy-
 ed. During the past two weeks thou-
 sands of acres of green woods have
 been burned over and many families
 have lost entirely all their wood re-
 serves. Four years ago similar forest
 fires swept the forests of the county
 and since that time there has been
 been so high that many have had to
 resort to coal at \$10.50 per ton. That
 no great effort is made by the govern-
 ment authorities to spend and pun-
 ish those who set fires is causing much
 indignation.

WOODSTOCK, N. B., June 3.—At
 seven o'clock this morning the fire de-
 partment was called out owing to a
 blaze on the roof of the car factory in
 Wellington. The fire was caused by
 the Drysdale factory. For about a
 month work has been suspended in this
 factory. The roof was badly damaged
 before the fire was got under control.
 The department was compelled to re-
 turn to the building at 9.30 to put out
 the embers. As the lower part of the
 building was partly as the machin-
 ery was not badly damaged. It is sup-
 posed that tramps slept in the build-
 ing last night. The loss is covered by
 insurance.
 Since Wednesday forest fires have
 been spreading toward Woodstock from
 Tapley Mills, six miles away. The coun-
 try is thickly settled and much dam-
 age has been done. The fire is being
 fought by C. L. S. Raymond, C. L.
 Smith, Walter Estabrooks and the
 Beardsleys. It has reached the out-
 skirts of the town and is threatening
 the dwellings of Messrs. Smith, Has-
 kins, Estabrooks and Fiewelling. Noth-
 ing can be done until it reached the
 town. Rain is much desired.

MONCTON, N. B., June 3.—It took
 Dan McDonald of Sydney, C. B., cham-
 pion middleweight wrestler, twenty-
 six minutes and twenty-two
 seconds to throw Geo. Nefed, Assyrian
 strong man, in a bout in the Grand
 Opera House last evening.
 The programme arranged was to
 throw five men. Only two appeared,
 McLeod, St. John, and Nefed. Mc-
 Donald first threw McLeod, and then
 only took him thirty seconds to throw
 the St. John man. The Cape Breton
 champion then took on Nefed, and the
 three hundred spectators present wit-
 nessed a hard struggle before the
 champion was given the decision.

CHARLOTTETOWN, P. E. I., June
 7.—The election petitions filed by Lewis
 P. Tanton, of Charlottetown, against
 Lemuel E. Frowse, M. P., which com-
 menced Friday morning before the
 Chief Justice and Justice Fitzgerald,
 was adjourned on Saturday until the
 14th of September next. Friday was
 taken up almost entirely with argu-
 ments by counsel for the petitioner
 and respondent.
 The particulars in the action, deliv-
 ered to the respondent under the order
 of the Chief Justice were very general
 in their nature, and did not contain
 with reasonable precision the time
 when the alleged offences were com-
 mitted. Some of the reasons for this
 until after the election, and it was
 contended by the respondent that these
 particulars conveyed no information at
 all, and he asked the court to strike
 out that portion of the particulars
 which did not fix a definite date, and
 did not give the names of the persons
 supposed to be guilty of the offences.
 The court granted the application of
 the respondent's counsel in almost
 every instance and the particulars
 were amended. An objection was made
 by respondent's counsel that sufficient
 notice of trial had not been given, as
 fourteen clear days inclusive of Sun-
 days had not elapsed from the date
 of notice of trial was given to the day
 of June. After argument this point
 was reserved, and the court proceeded
 to hear evidence, until one o'clock,
 when the case was adjourned until the

LUMPS LIKE IRON ON HIS FINGERS

Peculiar Trials of a Westerner That
 Neglected His Rheumatism

This is no ordinary case—five doc-
 tors endeavored to relieve and cure
 Mr. J. E. Germaine, Port Arthur, and
 all failed to bring in this awful suf-
 fering even temporary relief. "I am
 over sixty years of age," writes Mr.
 Germaine, "and an far back as I can
 remember I have always suffered from
 rheumatism. It was principally on the
 large muscles of my back, but extend-
 ed to my limbs. I was unable to do
 a thing. I found it very difficult to
 get work. I am a grain shoveller, and
 any work seemed to make matters
 worse. I did very little towards a
 cure till last year when I was
 very acute. I was unable to
 stand the chilling winds and outdoor
 exercise at all. I went from one doc-
 tor to another, but without any relief.
 My muscles and joints suffered,
 ached intensely and hard lumps
 came out on the tendons of my fingers
 and wrists.
 I blank despair I went to the drug
 store and got five bottles of Nervine.
 I paid one dollar for the five. I took
 it internally and used it outward as
 a rub. Two days and three nights
 I saw an improvement—four weeks
 saw me well. I was cured, free of
 pain, and suffering. Nervine
 did it all—how I do wish other
 sufferers would use Nervine also. I
 am sure it will cure them all."
 Thousands of cases just like this
 could be told—cases that are cer-
 tain in rheumatism, neuralgia, sciatic
 and lumbago as Nervine. Refuse
 substitutes, and try a 25c. bottle today.

above date. Eight witnesses were ex-
 amined but nothing of importance
 was brought out. The next election
 petition to be tried is that against A.
 L. Fraser, M. P., Conservator, of
 Kings.

CHATHAM, N. B., June 3.—R. A.
 Snowball, of the J. B. Snowball Com-
 pany, has returned from Shippegan,
 where he was successful in raising the
 steamer wrecked two weeks ago at
 Shippegan Gully. The steamer is a
 valuable one and was bought by the
 Snowball Co. from the Dalhousie Lum-
 ber Co., who owned her at the time of
 the wreck, at a low price. The steamer
 will be brought to Chatham in a few
 days.

MONCTON, N. B., June 3.—Word was
 received here early this morning of
 the death of J. N. Cormier, who was
 killed by a train at Oakdale. He was
 a son of Napoleon Cormier, of St.
 Marys. Identification was made
 through a letter from Alma Leper, 125
 Bedford street, Moncton, and an en-
 quiry his name became known.

MONCTON, N. B., June 3.—Wm.
 Young, of New Glasgow, was arrest-
 ed here this morning on arrival of the
 morning express and charged with
 creating a disturbance on the train.
 He will be taken to Amherst and then
 tried. When arrested he had a valise
 containing ten bottles of whiskey and
 said he was taking it to Joggins
 Mines.

Hon. H. R. Emmerson, M. P., passed
 through Moncton on the Maritime to
 Dorchester. He has been in Boston on
 business and was accompanied by his
 son Henry Jr.
 Messrs. Sanford, Fawcett and Carrey
 Fawcett, honey dealers of Memram-
 cook, have made an assignment to
 the creditors of the firm. Liabilities are
 said to be twenty thousand.

CHATHAM, N. B., June 3.—Diver
 Doyle, of St. John, is at work today
 at the end of government wharf locat-
 ing several large blocks of stone which
 are obstructing the entrance to the
 wharf. The stone slid off a scow last
 summer as it was lying at the wharf.
 The blocks were large ones and they
 are destined for the new school.
 Those Foley, of Newcastle, had the
 stone contract, and the government
 notified him that the obstruction must
 be cleared away. The work will prob-
 ably occupy a couple of days.

FREDERICTON, N. B., June 3.—Burg-
 lar Woods and Pezraie City, of the I.
 C. R., tried by court martial some
 months ago on several charges, re-
 ceived their sentence today, the find-
 ing being returned from Ottawa. The
 former gets nine months and the lat-
 ter eight months in the county jail with
 hard labor.
 The body of Todd Brewer has not yet
 been recovered. Dynamite is being
 used today, but so far without any re-
 sult.

HARTLAND, N. B., June 3.—Forest
 fires are raging in many places in the
 county near the village of Rockland.
 Four miles back of the village, a fire
 menaces the buildings and a ser-
 vices of Arthur S. Estabrooks and A.
 W. Estabrooks are endangered. All
 the available men are engaged fight-
 ing the flames. A change of wind would
 cause the fire to sweep directly over
 the little village.

Thursday part of the flooring
 dropped out of a span in the Florence-
 ville bridge and traffic was suspended
 until today. Both the Florenceville
 and Hartland bridges are in a danger-
 ous condition through neglect.

HOULTON, Me., June 3.—Two sets of
 farm buildings in Monticello were
 burned today by fires which started in
 the woods. A dwelling house and four
 large barns belonging to Henry H.
 Hall and the buildings of Joseph Bel-
 leau were destroyed. The total loss be-
 lieved to be \$14,000, of which \$10,000 falls on
 Hall.

SUSSEX, N. B., June 3.—A movement
 has been started to arrange for an old
 boys' week for Kings county in 1910.
 The affair will centre in Sussex and
 every effort will be made, if the sug-
 gested plan is adopted, to bring home the
 thousands of Kings county men and
 women who are scattered from one end
 of the county to the other. The propo-
 sal is to make one full week and during
 that time provide amusements for
 the visitors and hold exercises be-
 fitting the occasion. Kings county has
 contributed many eminent men to the
 world's list of brain and as many of
 them as possible would be asked to
 come here and deliver addresses and
 take part in the proceedings. The list
 would include Hon. Geo. E. Foweraker,
 Hon. Wm. Pugsley, Judge McLeod,
 President McIntyre of the Canadian
 Club, Boston; ex-State Congressman
 MacIntyre, Boston; Dr. Fowdson, ex-M.
 P., Halifax; Rev. Dr. Kiewit, ex-M.
 Master University, Toronto; President
 Walter Murray, Saskatchewan Uni-
 versity; G. W. Canonge, ex-M. P., St.
 Stephen, and others. It is felt that
 with such an entry of talent thou-
 sands would be attracted here to the
 feast of oratory alone. A meeting will
 be held on Tuesday night to arrange
 preliminaries and a public meeting will
 follow. August or September, 1910, is
 to be selected as the date of home-
 coming.

FREDERICTON, June 3.—Ald. J.
 King Kelley of St. John has made his
 report as commissioner to the govern-
 ment on the charges brought against
 Alexander Rogers, registrar of deeds
 in Albert county. His report declares
 that Mr. Rogers took an undue part
 in the general elections of
 March 3, 1908. Acting upon these
 reports an order-in-council has been
 passed removing Mr. Rogers from
 office and appointing Charles L. Peck
 registrar of deeds in Albert county.

SYDNEY, N. S., June 4.—As a sequel
 to a letter signed "Layman" in the
 Sydney Post (newspaper) of this city
 last week of May 15th, there was
 at Glace Bay this morning a trial for
 criminal libel before Stipendiary Mc-
 Donald. It promises sensational devel-
 opments.
 The letter in question was a very
 violent attack directed presumably at
 two well known Catholic priests of the
 county of Cape Breton. While no
 names were mentioned in the letter
 word was on everybody's lips that
 there could be no manner of doubt as

to whom the tirade referred to.
 So pointed were the references that
 one of the clergymen attending when
 the charges were presumed to be
 made demanded from the Post the
 name of the author of the letter of
 May 15th.

Contrary to all journalistic preced-
 ent the Post gave the name of the
 author of the letter as reported by
 Dr. John J. Cameron of Antigonish.
 The incident was almost forgotten
 when an officer from Glace Bay ar-
 rived in Antigonish on Wednesday and
 advised the arrest under warrant of Dr.
 Cameron, who is a prominent medical
 man of the town.

The prosecution will be conducted
 by John J. Power, M.C., of Halifax,
 and C. E. Gregory, barrister at Antigonish,
 will act for Dr. Cameron.
 The case is still in progress and it is
 likely the defendant will be committed
 to the superior court.

SAYS DIVORCE LEADS TO BETTER THINGS

Doctor Lauds Marital Sepa-
 ration Before Progressive
 Friends

PHILADELPHIA, June 7.—Declaring
 that he saw in divorce no dissolution
 of society and no quenching of the
 heart's fire, but instead a balancing
 of issues that make for better things
 socially and morally, Dr. J. P. Lab-
 temberger, of New York, talked per-
 sistent in the "Friends" assembly
 in the Progressive Friends, yesterday
 in annual meeting at Longwood, Ches-
 ter county.

He traced the growth of the family
 from a custom to an institution, and
 said that when it becomes an institu-
 tion of choice the secret of making it
 permanent will have been solved. He
 thought the fears of pessimists that the
 time had come for the re-organization
 of the family, and that all of the
 stages preliminary to this culmination
 of the fight had been passed. At the
 conclusion of his address resolutions
 declaring for prohibition were read.
 The meeting was presided over by
 the Rev. Frederic A. Hickey, pastor
 of the Spring Garden Street Unitarian
 Church. Mrs. Rachel Foster Avery
 outlined the reasons why women wanted
 to vote.

MRS. BLACK LOSES RACE WITH DEATH

Arrives on Providence, Having
 Received Wireless News
 of Husband's Demise

NEW YORK, June 8.—Her race with
 death lost, Mrs. Elmer S. Black and
 her ten-year-old daughter arrived in
 this city yesterday on the French line
 steamship Providence. Mrs. Black is the
 widow of Elmer S. Black, formerly a
 member of the banking firm of N. W.
 Harris, who died on Saturday night
 in the Roosevelt Hospital, after being
 stricken at a dinner given by his firm
 in the Hotel Plaza.

Mrs. Black did not know of her hus-
 band's death until Friday, when she
 received a wireless message on the
 boat, but had known he was very ill.
 Mr. Black was one of the one hundred
 diners at the banquet and was in good
 health when he sat down. He was hur-
 ried to Roosevelt Hospital as soon as
 he was stricken, and Mr. Harris, the
 head of the firm, upon learning that
 he was seriously ill, called to Mrs.
 Black in Paris.

The cablegram was received ten min-
 utes before the train for Havana, but
 the officials of the railroad held the
 train until Mrs. Black arrived, and
 she was on board the Providence a few
 minutes before the hawyers were let
 go.

Mrs. Black did not believe her hus-
 band was dying, but knew he was seri-
 ously ill. Friday she received a wire-
 less message from her brother-in-law,
 Henry S. Black, of the Fuller Con-
 struction Company, telling her that
 Mr. Black was prostrated and was
 under the care of the ship's surgeon
 when the boat arrived yesterday. The
 funeral services for Mr. Black will be
 held today and the interment will be
 made in Clinton, Iowa, the banker's
 native town.

Throughout the voyage the Providence
 had rough weather and was delayed a
 little by dense fogs.

 gates from Quebec and Montreal to at-
 tend the convention of the Order of
 Foresters here the next four
 days, arrived in Moncton about three
 o'clock this afternoon.

Tonight the delegates were enter-
 tained at a French play put on by
 local talent, in the Grand Opera House,
 under the auspices of the local court.
 Among the delegates are E. A. Grise,
 Provincial Chief Ranger; F. X. Bibeau,
 Provincial Secretary and High Chief
 Ranger of the Order in Canada; T. A. Comeau, Vice High Chief Ranger;
 Three Rivers; W. J. Proulx, General
 Secretary, Montreal; J. A. Lalonde,
 High Medical Adviser; Directors of
 Vaucluse, H. C. McCullum, A. G. Bras-
 sard, W. Lalonde, Ed. Piche, N. U.
 Vaucluse, A. P. Yauvess, Thos. Mon-
 aghan, J. B. Alphonse, chief adviser.

 Court.

Among the visitors are Camille De-
 Martigny, Advocate, St. Jerome; J. A.
 Quimet, E. Langlois, Dr. Lorr, Eugene
 Roulland. Tomorrow morning the dele-
 gates will attend a special mass at St.
 Bernard's Church, when a sermon in
 French will be preached by Mr. Le-
 pailleur and an English sermon by
 Father Steggs. In the afternoon the
 first regular session will be held and
 the programme of the convention will
 be outlined. In the evening there will
 be civic address of welcome, after
 which there will be fireworks on the
 M. A. A. grounds.

Instructions have been sent to the
 authorities at Waterville, Maine, to
 bury there, June 8, the body of Felicia
 and Settlement, Kent Co., who was killed
 by a train in Maine Sunday night. The
 mother of the deceased is at the point
 of death and the news of her son's un-
 timely end is being kept from her.

Let Me Tell You Something

A woman who is sick and suffering, and won't at least
 try a medicine which has the record of Lydia E. Pinkham's
 Vegetable Compound, is to blame for her own wretched
 condition.

There are literally hundreds of thousands of women in
 Canada and the United States who have been benefited by
 this famous old remedy, which was produced from roots
 and herbs over thirty years ago by a woman to relieve
 woman's suffering.

Read what these women say:
 Belleriver, Que.—"Without Lydia E. Pinkham's Vegetable
 Compound I would not be alive. For five months I had painful
 irregular periods and inflammation of the uterus. I suffered
 like a martyr and thought often of death. I consulted two doc-
 tors who could do nothing for me. I went to a hospital, and the
 best doctors said I must submit to an operation, because I had
 a tumor. I went back home much discouraged. One of my
 I did so and soon commenced to feel better, and my appetite
 came back with the first bottle. Now I feel no pain and am
 cured. Your remedy is deserving of praise."—Mrs. Emma Chastel,
 Valleyfield, Belleriver, Quebec.

Erle, Pa.—"I suffered for five years from female troubles,
 and at last was almost helpless. I tried three doctors but they
 did me no good. My sister advised me to try Lydia E. Pink-
 ham's Vegetable Compound, and it has made me well and strong.
