DR. PRICE'S BAKING POWDER cream. BAKING POWDER. Is the Most Economical. Greater in leavening strength, a spoonful raises more dough, or goes further.

Is the Most Economical. Greater in leavening strength, a spoonful raises more dough, or goes further. Working uniformly and perfectly, it makes the bread and cake always light and beautiful, and there is never a waste of good flour, sugar, butter and eggs.

When outfitting for camp always take Dr. Price's Cream Baking Powder for good health and good food. It makes the finest flapjacks, biscuits and bread.

Never go into the woods away from a doctor with a cheap alkali baking powder in the outfit. You want the best baking powder in the world—and it is most economical in the end.

PRICE BAKING POWDER CO., CHICAGO.

services in the English church last evening. During the recent visit of the archdeacon, the congregation discussed the matter of securing a permanent clergyman for the St. Andrew's church...
