Kill the Forest is the best Medical School!

That predisposition which exposes the human frame to the infection and corruption of all disease, proceeds directly or indirectly from a disordered state of the stomach and bowels, and their Blood and Nervous constituents, and therefore all complaints originate in the stomach and bowels.

DR. HALSEY'S GUM-COATED FOREST PILLS

Are composed entirely of Vegetable matter, (a quality of the highest importance.) They operate directly upon the stomach, liver, and bowels, and through these organs purify the blood, and thus expel disease from the system. Nothing can be more simple in their composition, or more certain in their effects. Containing no mercury or mineral, which, taken in quantity sufficient to produce any effect, leaves the system in a worse state than before, rendering it subject to a long list of painful diseases, and frequently hastening the patient to the grave. Dr. Halsey's Forest Pills are entirely free from these evils, and may be taken at all times, and under all circumstances, without any change of diet, or danger of taking cold. They do not have the effect to weaken the system, but on the contrary, by carrying off the diseased matter from the stomach and bowels, they restore the tone and vigor to these important organs, and thereby remove the cause of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They act by their own inherent virtue, and require no aid from brandy or other stimulants, to produce a healthy action in the system. They are purely vegetable, and have been tested in almost all climates, and in all diseases, with the most perfect success. Many of the most eminent Physicians have introduced the Pills in their practice, and concur in pronouncing them the most safe and efficient remedy ever discovered for the cure of disease.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Families, given over by their Physicians as incurable, have found relief, and been restored to sound health and comfort by their use.

TO SUFFERERS OF FAMILIES.

Pills, and foul state of the stomach, produce more sickness and deaths in families than all other causes of disease put together. In the latter part of Summer and Autumn, when the air is more than usually poisoned from miasma, arising from stagnant pools and decayed vegetation, whole families are laid down by Dumb Ague, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul stomach and bowels. No one can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OR THRAK OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of it in the foul stomach.

Superficial city of bile may at first be known by some unfavorable symptoms, which if not soon, such as sick stomach, headache, fear of opposite, bitter taste in the mouth, yellow skin, dull pain, languidness, drowsiness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disease, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from all bilious attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, during and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without leaving the bowels in a healthy state. Dr. Halsey's Forest Pills act on the gall ducts, and carry off morbid, biliary matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purify the blood, all morbid matter from the stomach and bowels that cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They oil the cause griping nor any inconvenience whatever, and the patients better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in searching out the hidden cause of disease, and removing it from the system. Thousands of good them have done for the sick and afflicted have induced thousands to recommend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease that afflicts the human race, from individuals of character and respectability. The following is already is from a respectable and wealthy farmer residing near Utica, New York:—

Utica, November 9, 1848.

Dr. G. W. Halsey.—Every fall, for several years past, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1846 I was taken at the verge of death with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the third day the fever left all of them, and they have remained without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1843 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the cupidity of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the appearance of the genuine Dr. Halsey's Pills, and in order to sell them under the good will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which in every respect supersedes Sugar, both on account of its healing virtues and its durability. The discovery of this improvement is the result of a course of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, render them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills will not waste the Pills, injure from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all impositions and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signatures of G. W. HALSEY.

Reader!!! If you wish to be cure of a medicine which does not contain that hateful poison, Calomel or Mercury, purchase HALSEY'S GUM-COATED FOREST PILLS, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, ask for HALSEY'S PILLS.

If you would have the most concentrated as well as the best compound *Sarsaparilla Extract* in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and to avoid a Physician's bill of 20 or 30 dollars, take a few of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength and tone to the system, procure HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, a timely remedy in case of sickness.

From the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTERMINATOR. I found my present dwelling overrun with Beetles; they entirely disappeared after the first application in which this preparation was applied. One application sufficed to exterminate the insects almost entirely from the house. Similar cases of success have occurred in my neighborhood.

THIS GALVANIC EMBROCATION is an unfailing remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs. The Inflammation and Gout, in the worst forms, Tumor, Pile, Scrofula or Kings Evil, Sore Throat, Quinsy, Sore Mouth, Ulcers of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Salt Rheum, Ring Worm, White Swellings, Diseases of the Skin, and Scrofulous Affections of the Neck, &c. It is also highly recommended in the most confirmed cases of Scrofula and Scrofulous Affections of the Neck, Affections of the Spine, Mercurial Affections, &c., &c., &c.

It is now generally known, by the most eminent and scientific, that the mysterious power called *Galvanism or Magnetism* is in fact the principle of Vitality or Life, and that all diseases in the human body, are caused entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can really supply this wonderful power, which it is thus deficient, we can successfully combat disease; and this has been fully and proudly attained by this most wonderful scientific discovery of combining Magnetism or Galvanism with a Fluid which has cost the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic power in various diseases, and there is scarcely a Medical Journal, either in this country or Europe, which publishes a hypothesis without the statement of various cases, showing some new effects of these wonderful agents, or communicating previous experience of their beneficial use. The inventor of this Galvanic Embrocation has given pleasure in being able to state, that a majority of the most distinguished Physicians of New York annually recommend this Embrocation in their practice; and from many of them he has received the kindest testimonials of approval and commendation.

CRAMP AND PAIN-KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side, or Limbs, Cramp in the Bowels, Diarrhœa of Long Standing, Cramp in the Stomach, Sick Headache, Dysentery and Diarrhœa, Colds and Sore Throats—all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many days' cures in cases of the following diseases, viz.:—Rheumatism in the Head, Face, Joints or Limbs, Lumbago, Pain in the Back, Sides or Loins, Cramp in the Stomach, Sick Headache, Pains in Bowels, Cholic, Dysentery and Diarrhœa, Colds and Sore Throats—all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

We solicit particular attention to the fact that it does not contain a particle of Opium in any form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any possible case, injure the patient.

Before this article the *Life Fountain*, now produce the healing, drying, purifying sensations, so much complained of, and the use of which is so painful.

It does not weaken the peristaltic motion of the bowels, producing Costiveness and its attendant evils, but is a powerful Cathartic, and at the same time will maintain the energies of Healthful Digestion and a healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,

Local Pains, &c., it has proved *surprisingly successful*, never failing to cure, even in the most desperate and long standing cases. (Non-Certificate.) In these cases, a few ounces should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, but sufficient to produce on the surface, and in several cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC,

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not feel relief, repeat the dose.

DYSENTERY OR DIARRHŒA.

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in six hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case; where it has been early and faithfully applied. In Bangor, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Frozen, &c.*, relieving the pain and healing without scar.

FOR TOOTHACHE

It is, nine times out of ten, a CURE. We believe it will *never fail*, unless the tooth is decayed. If the tooth is hollow, saturate a little lint and put it in, as tenderly. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, &c., and in pamphlets, which may be obtained of agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the World.

Please read the following statement from John Buckman, Esq., of Dixmont, Me.:—

DIXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years I was entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical assistance the country afforded, but it did me no good. Some of medicines and prescriptions without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down both in my limbs and breast, and I am entirely relieved from pain. I have been able to perform hard day's work at any time for the last three months, for a man of my age. No description of my case can convey the vast amount of benefit I have received from your medicine. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

ST. LEON AND CAXTON SPRINGS.

MONTREAL, June 3, 1850.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favorable opinion of their efficiency as aperients in various derangements and diseases. I have used both Waters with success, and consider they are valuable for, or accompanying all the purposes of the ordinary saline aperient draughts, over which these tonic and alterative ingredients give them, for continued use, a superiority.

SCROFULOUS AFFECTIONS, &c.

In all these distressing and prevalent cases, there is no question regarding the efficacy of this Medicine, an emphatic testimony to which is given in every mail.

Dr. Sherwood's Galvanic Embrocation, I regard as the best efficacious of all remedies in Scrofulous affections. One of my children, a daughter of 6 years old, was afflicted with a very inveterate and protracted Scrofulous affection, which had continued its ravages nearly two years, various remedies were tried but without effect.—The disease at length established itself in several deep-seated and the discharge from which was acrimonious and very fœtid. At this crisis, I commenced the treatment with Dr. Sherwood's Galvanic Embrocation, and unhesitatingly can say that after using a few bottles of this wonderful compound, with a decoction of Sarsaparilla, which soon conquered the disease, and a complete cure was effected.

OVERWHELMING TESTIMONIES.

OVER HALF A MILLION OF TESTIMONIES have been received by the proprietors of

HOLLOWAY'S ALL-HEALING OINTMENT,

From Persons in every Rank of Life, and Profession, from Counsellors learned in the Law, from Judges of celebrity on the Bench, from Ministers of the Gospel, whose unbiassed integrity have made their shining lights in the path of Truth, from enlightened Professors, from acute Merchants, and from those of every station, name and degree among mankind—all of which, without one dissenting voice, unanimously proclaim this Ointment to be INFALLIBLE in the cure of Tumors, Ulcers, Sores, Burns, Tetter, Piles, Scrofula, Erysipelas, Chilblains, Scald-Head, Sore Throat, Quinsy, Sore Breasts, Rheumatism, Bad Legs, Gout, Coco Foot, Corns, &c. It immediately restores the INSENSIBLE PERSPIRATION, and by this means opens those avenues by which means intended to expel the morbid matter of the body—thus the system cleansed, the blood purified, and the health restored.

It has power to cause all external Sores, Scrofulous Humors, Skin Diseases, and Eruptions to vanish, as they chase their parent matter, and then heal them, and will certainly be found to be efficient and certain.
