"The worst sight I ever s about five years ago, when or performing bears turned on it and seized his arm. He worr a terrier would a bone for a go ty minutes before we could dr off, and the bear died from ishment we gave him. Th arm isn't much use to him no is crazy for me to give him group of animals to train, can't do because a man needs pairs of limbs when he gets exhibition cage." He told o accidents which had happened self and his employes, most through their own carelessne of constant association wit charges who never miss the c

tfulness gives them. "I said that bear attack worst sight I ever saw, and it something happened here
