Canada is likely to be exposed to

lamentable truth that the census

A Substitute—Gee, whiz! I exclaim-

mance pie?
Why, nothing, replied his wife,
who was a white ribboner: I followed
the receipt, except where it called for
brandy. I substituted root beer for
that.

Lord Strathcona says the fast At-

take form so slowly that what was a
fast service when the project was origi-

Crutches Discarded

Mrs. Wells, of Mochelle, Annapolis,
Annapolis Co., writes:

May 8th, 1900

"I am an old woman, nearly eighty
years of age. Sometime ago I fell
and injured my hip. I was after-
wards troubled with Sciatica; at
times my sufferings were intense; I
could not get about my room without
the aid of a pair of crutches. I tried
many remedies; none did me any
good; some of them made me worse.
At last I read of Egyptian Rheuma-
tic Oil and tried that. I am happy
to say that it has given me great re-
lief, removing the pain and enabling
me to move around much better than
I could. I think Egyptian Rheuma-
tic Oil a splendid liniment for use in
cases of Rheumatism.

THE KING, THE QUEEN and THE DUCHESS OF DEVONSHIRE.

A Remarkable Offer.

Here is the best offer ever made in this community. By a very excellent ar-
rangement made with the Family Herald and Weekly Star of Montreal we are
enabled to offer THE KENTVILLE ADVERTISER and that great Family
Paper, the Family Herald and Weekly Star, for one year for the small sum of
\$1.75 and include to each subscriber three beautiful premium pictures of
which the following is a brief description:

KING EDWARD VII.—True to life, a beautiful portrait, size 18 x
24 inches, on beautiful heavy white satin finished paper for framing. This portrait
has been taken since his accession to the throne, and is the very latest and best
obtainable. It cannot be had except through the FAMILY HERALD AND
WEEKLY STAR; each picture bears the King's autograph. This picture has the
great merit of being the first taken after the King's accession, and has therefore
a historical value that no other picture can possess.

QUEEN ALEXANDRA.—An exquisitely beautiful picture of the remark-
ably beautiful and good Queen Alexandra, also taken since the King's accession
to the throne. It is the same size as that of the King, the two forming a hand-
some pair of pictures that alone would sell for many times the subscription price
of paper and pictures.

No portrait of the King and Consort taken at the second or succeeding sit-
tings can have one fraction of the value of the first. These go down to history.

THE DUCHESS OF DEVONSHIRE.—The Renowned Gainsborough Pic-
ture. Sold at auction sale in London twenty-five years ago for £10,533,
stolen by clever thieves, hidden for over twenty-four years and delivered to its
owner on payment of £35,000 reward and since sold to Mr. J. Pierpont Morgan for
\$75,000.

This, in brief, is the history of one of the premium pictures, which, by a
clever stroke of enterprise, the publishers of the Family Herald have secured for
their subscribers. The picture is 22x23 in ten colours, and is reproduced line for
line, colour for colour with the original. Copies of the reproduction are now sold
in New York City, Montreal and Toronto for \$13 each, and this is the picture
Family Herald subscribers are going to get absolutely free together with the
pictures of the King and Queen.

It is that not big value! Call at THE ADVERTISER Office and see samples
of these beautiful pictures.

You want THE KENTVILLE ADVERTISER for the local news and you want that
great paper, the Family Herald, for its 24 pages of general news and family
reading. Its agricultural pages alone are worth many times the subscription
price.

Poisons in the Blood Bring Pain and Death

Uric Acid the Cause of Serious Or-
ganic Changes, Fatty Heart,
Bright's Disease, Enlarged Liv-
er, and Brain Lesions.

Foul poisons in the blood by de-
fective kidneys form what is known as
uric acid. Its presence may be detect-
ed by such ailments as dyspepsia, asso-
ciated with irregular bowels and
scanty, highly-colored urine. There
are points of a neuralgic nature in the
back and in the joints, sleepless nights,
dizziness, headache, depressed spirits
and impaired memory.

Fatty heart, dropsy, apoplexy and
heart disease are the usual termination
if uric acid is left in the blood. It is a
serious matter to neglect these symp-
toms. The home treatment prescribed
by Dr. A. W. Chase has proven suc-
cessful in many thousands of cases.

Dr. A. W. Chase, Martineville, Que.,
writes:—I was a sufferer from kidney
disease and bladder trouble for 13 years,
and had a constant desire to urinate
with its accompanying weakness. Medi-
cine prescribed by a skillful physician
only gave me temporary relief. The
trouble would recur at very awkward
times. I was pained to try Dr.
Chase's Kidney Liver Pills. I obtained
relief after one dose, and before I had
finished the first box felt better than I
had for many years. Dr. Chase's Kid-
ney-Liver Pills, one pill a dose, 25 cents
