RAILWAY COMMISSION

ttawa, Jan. 28.-The organization he railway commission by which Dominion will be divided into tricts under a chief commissioner been announced. Ontario to Port thur will be under the jurisdiction assistant commissioner D'Arcy ott, assisted by Inspectors Ogilvie Clarke. The Hon. Bernier will charge of the Quebec Maritime rision, assisted by inspector La-de. Manitoba, Saskatchewan, Alrta and Ontario west of Port Arwill be in charge of commisner McLean, with inspector Blyth Winnipeg. Dr. Mills will look af-British Columbia, assisted by inector McCall,

## WESTERN PROVINCES

Prairie Premiers Issue a Lengthly Statement in Reply to Requests of Grain Growers--Recommend Them to Approach Federal Government--British North American Act Quoted to Show the Obstacles in the Way.

The building of loading platforms, thus facilitating the shipment of grain by car lots, has proved a great step in advance, and every year, either orities to enact.

We have in a general way given expressions to our views respecting the absence of provincial jurisdiction in the premises. We, however, desire to briefly particularize the powers which the parliament of Canada has, and which are necessary for the latter to which approximately 42,000,000 bush-and Alberta, has been received by the states of the United States, in deal-

ful consideration the representations states while occupying a somewhat made by you to us in our recent confidentical position with the provinces, among the number of trade ber being "the regulation of trade ber being "the regulation of trade and neck between the legs of the necessity of certain remedial by to their federal government than and commerce" and "weights and the necessity of certain remedial by to their federal government than a commerce of the soldier in an endeavor to reach made by you to us in our recent confidence in a specific possible of the soldier in an endeavor to reach and the necessity of certain remedial by to their federal government than a commerce of the soldier in an endeavor to reach made by you to us in our recent confidence in the soldier in an endeavor to reach and the necessity of certain remedial by to their federal government than a commerce of the soldier in an endeavor to reach and the necessity of certain remedial by to their federal government than a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the soldier in an endeavor to reach a commerce of the commerce of the soldier in an endeavor to reach a commerce of the commerce o and the necessity of certain remedial ly to their federal government than measures being adopted to remedy the provinces do to the federal government of Canada. The founders of the grievances complained of. We readily assent to your position that readily assent to your position that anything affecting the agriculturalist the federal parliament of Canada anything affecting the agriculturalist the federal parliament of Canada and the necessity of certain remedial ly to their federal government than and commerce" and "weights and spected at Winnipeg, of which 30, 094,078 were shipped through the elemeasures," "national railways," (as measures," "national railways," (as measures," "national railways," and 14,578,422 bushels were the loading platforms, or about 38 per cent. of the total too late to get even a feather; the anything anecting the agriculturalist the federal parliament of Canada is of paramount importance, and deserves the most mature consideration of power and clearly and unmistakwe understand that you take the position that nothing further can be hoped for by amendments to existing lation, and such division was clearly tors are concerned, and to obtain what your executive requires you reern provinces are concerned, that a powers. ern provinces are concerned, that a system of government ownership and operation of grain elevators be inaugurated. In reply to this request we beg to say as follows:

The several matters presented volve, in their institution, carrying out and performance, the consideration of the constitution of canada was to create a strong forth.

and in other respects to provide such regulations and restrictions respecting these companies as shall be essential for the convenient and satisfactory handling of grain.

nerce and the weighing and grading of grain as may be necessary to give the provinces complete inherent and exterritorial jurisdiction in the prenises in every respect, that is to say full authority within the provinces, and also outside where the grain may be handled at terminal points.

There is also to be considered the inancial side of the case. Mr. Chas. C. Castle, warehouse commissioner, has furnished official statements to us showing among other things, herenafter set forth, the following information, i.e. the number of elevators under operation last season was 1334 with a storage capacity of 39,724,-000 bushels. To put into effect any practical scheme of public ownership of elevator facilities and complete government control over the handling nd shipment of grain would involve the provinces in a very large financial undertaking. It would be neces-\$5,000 and \$5,400.
