He was unconscious when picked up. A DEALER in wet goods who keeps a small shop near Leitche's Creek N. S., and who had no doubt laid up quite a stock of firewater for Xmas customers, was the victim of a "olow up" last week. Some parties who objected to his business, with the assistance of some dynamite, succeeded in raising his building and giving the owner such a scare that he has not yet recovered.

The CoraT. Carter bothof Sackville, were united in marriage, at the residence of Mr. John T. Carter, father of the bride, on Tuesday evening the 24th inst. The bride was attended by Gamuel Ackles, Sentry; Fred Harris, Warden; John R. Hickey, collector.

Is the cheapest and best heating apparatus for country dwellings. Being cased with brick it does not damage roots in cellar, the heat being carried up steadily into rooms during the night even after the fuel has burned low. This Furnace being made of PLATE STEEL is most durable, and being simple in construction does not permit of smoke or gas escaping, while it has a great advantage over more complicated Furnaces, by the interior being kept free from soot. This is the reason why it will radiate as much heat after being used for some time as it will when first set up. There is great economy in fuel, and much labor saved in cutting the wood; in fact, it will burn wood that cannot
