Pure Blood is Life.

Paine's Celery Compound the Only Hope of all Suffering from Blood Diseases.

The Great Medicine Quickly Expels all Poisons and Renews the System.

Scrofula is one of the most terrible and wasting of blood diseases; it usually develops in early life, and in the majority of cases is hereditary. Many medical men contend that scrofula is the parent of consumption.

When the blood is thin, impoverished, impure and foul, its poisoned condition shows up clearly in pimples, sores, tumors, abscesses, blotches, erysipelas, cancer, white swellings, sore eyes, felons, boils, salt rheum, eczema, etc.

Pure blood represents life, and health of all parts of the human system are dependent upon the blood.

The only true way to cleanse and enrich the blood is to use Paine's Celery Compound. Its vitalizing and purifying effect upon the blood of old and young is magical. The most violent blood diseases quickly yield to its healing and cleansing power. No other medicine known to man has ever achieved the victories over obstinate blood troubles that Paine's Celery Compound has accomplished.

If you have a trace or symptom of blood disease, your life is truly in danger. If you are anxiously seeking for a cure, have a care how you make use of the widely advertised "blood purifiers" in the majority of instances they are frauds. Ask your druggist for Paine's Celery Compound, the only medicine that can make your blood and flesh clean, pure and healthy.

Careless Hunter.

WATERVILLE, Me., Dec. 6.—A fatal shooting accident occurred a few miles from the Forks Sunday morning, when Dell Durgin was fired upon by Fred Cates, who mistook his grey coat for a deer's body. The two men were members of a logging camp a few miles from Bingham and started out early Sunday morning in quest of large game. Cates started a deer and then lost sight of him, but followed in pursuit. Durgin had separated from his friend when entering the scrub growth. Cates seeing Durgin's grey coat through the bushes fired, the shot passing through Durgin's bowels.

He was taken back to camp by Cates and Dr. Piper, of Bingham, summoned, who pronounced the case hopeless.

Durgin was just alive Tuesday afternoon. He is a resident of West Forks and has a wife and one child. Both men are popular and steady. The case is one of carelessness only.

Sentenced to Death.

FORT WILLIAM, Ont. Dec. 7.—Provoost's trial for the murder of Debin and Carriere in a piggy back of Port Arthur in February last, was continued in the court house of that town yesterday. Mr. Johnston, Q. C., of Hammond fame, prosecuted; Mr. MacKay, of Sault Ste. Marie, for defense.

Many local witnesses were examined by the prosecution, and the evidence agreed throughout. The strongest for conviction was Madame Gauthier, the prisoner's late companion. They swore to Provoost having shot both men in their shanties and then set fire to them, having previously removed the victims' belongings.

The prisoner's own defence was good, but when attacked by Mr. Johnston, it fell to bits. Several doctors were examined to prove insanity, but to no purpose.

In summing up, Chief Justice Armour charged heavily against the prisoner. The jury retired at 11.20 o'clock. From the start they were almost unanimous in their decision. One man from the country held out for seventy minutes. Then he gave in.

The jury brought in a verdict at 1 o'clock this morning as follows:

First: We, your jurors, find that the prisoner, O. Provoost, is capable of conducting his defence and giving a line of defence to counsel.

Second: We, your jurors, find that the prisoner at the time the crime was committed, of which he is charged, was sane and responsible.

Third: Guilty.

His Lordship—"Prisoner, have you anything to say why sentence should not be passed upon you?"

The prisoner rose, made some rambling remarks as to injustices from high officials and protested his innocence and his veracity.

The Judge—"Prisoner, you are not here for this purpose, but to say whether there is any legal reason why sentence should not be passed upon you for the cold-

blooded diabolical murders you have clearly been guilty of committing?"

There was no reply.

Then amidst deathly silence came the words: "Oliver Provoost, I sentence you to be taken back to the place from whence you came and to remain there until the 17th of March next when you shall be taken out and hanged by your neck until you are dead. And may the Lord have mercy on your soul."

The prisoner showed slight emotion. He was removed to the goal by his guards. Perfect silence reigned throughout.

The sentence met with approval from all who listened to the evidence, and the jurors were congratulated for their decision.

It is the first time a verdict of guilty has ever been given in a murder case in West Algona.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work. This stuporously remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle-working medicine is a godsend to weak, sickly, run-down people. Every bottle guaranteed. Only 50 cents. Sold by all Druggists.

Deaths by Accident.

OTTAWA.—Peter Lavoie, an employee of the Ottawa, Annapolis and Parry Sound railway, was killed on Monday at the company's gravel pit at Spruceville, on the upper portion of the line. He and other men were loading a train with gravel when a portion of the frozen surface of the pit caved in. All escaped but Lavoie, who was buried beneath the falling earth and taken out dead.

CHAPLEAU, Ont.—William Mahone, a young man living near here, was found dead in the woods near his home on Sunday. He had been out hunting partridge, and is supposed to have slipped and fallen in such a way that the contents of his gun, which was loaded with shot, entered his abdomen.

The Wrecked Portland.

BOZTON, Mass., December 7.—Agent Williams, of the Portland Steamship Company, has returned to Boston, and says that if any clue to the location of the hull of the Portland can be discovered, divers will be employed in the removal of the bodies and personal effects.

Naval Works in Jamaica.

KINGSTON, Dec. 7.—As a part of the scheme of converting Kingston harbor into a great naval depot and extensive dockyard, in view of the construction of the Nicaragua canal in the near future, the admiralty authorities have just completed negotiations for the purchase of Greek Pond, at the northern extremity of the city, where the proposed dockyard will be constructed. It is reported that the work will be commenced immediately. The dockyard, it is said, is to be the largest and best equipped in the British dominions.

A Brutal Job.

NORFOLK, Va., Dec. 9.—John Anderson the condemned murderer of Miss Saunders of the sch. Olive Pecker, was executed in the city jail at 3 p. m. today. He marched from the cell to the scaffold unsupported and with firm step ascended the steps without assistance. After prayer by Rev. J. B. Merritt, chaplain of the Seamen's Bethel, who kissed him goodbye, Anderson made a short speech, saying he had forgiven the men who swore his life away, and would die at peace with the world and God. He spoke pleasantly to and smiled at the death watchers and to the crowd below in a firm voice said: "I am ready."

A 3.06 the trap was sprung and Anderson's body shot downward. The rope parted just inside the knot and his body fell to the cobblestones. A thrill of horror ran through the crowd. Officers and witnesses rushed to the body and snatched the cap from the head and found blood oozing from mouth, nose and ears. A doctor was called and soon Anderson opened his eyes and, it was said, started to breathe. He was carried feet foremost up the stairs to the platform and laid down until a chair was obtained. He was then placed in this but he never spoke. Preparations for reburial were hurriedly made. The other end of the rope was adjusted around his neck. He was then raised to a standing posture and the

strips placed on his limbs. While supported by the officers the trap was sprung the second time. In twenty-three minutes life was pronounced extinct. Nine minutes elapsed between the first and second drop.

Anderson's neck was broken, supposedly by the last drop.

Marshal Treat refused to turn the body over to the Virginia Anatomical Society and it was placed in a handsome casket and buried in the Seaman's lot in Elmwood cemetery.

A GLOWING TRIBUTE

To the Wonderful Efficacy of Dodd's Kidney Pills.

By Mr. F. W. Harris, of Central Waterville, York Co., N. B., Who Was Cured of Kidney Disease by Them, After Other Remedies Had Failed.

CENTRAL WATERVILLE, N. B., Dec. 12.—Mr. F. W. Harris, a well known and highly respected resident of this place, has made, over his own signature, a statement that should be read in every household in the Dominion, for it points a way to banish from our country the greatest evil and the greatest danger that threaten us.

Mr. Harris writes in these words: "This is to certify that after having suffered for two years and a half with Kidney Disease I have been cured thoroughly and completely by three boxes of Dodd's Kidney Pills."

"During the greater part of the period named, I was unable to work, and my complaint was steadily growing worse. I tried many different remedies, but received the least benefit from them.

"From the time I commenced taking Dodd's Kidney Pills, my condition began to improve, and continued to improve until I had used three boxes of the medicine. I then required no further treatment, for I was cured absolutely and thoroughly.

"I make this statement voluntarily, and of my own accord, never having been asked to do so."

A statement like this should carry the greatest weight with those who read it. It is a glowing tribute to the wonderful efficacy of that far-famed remedy, Dodd's Kidney Pills, the one and only known cure for all forms of Kidney Disease.

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box; six boxes \$2.50, or sent on receipt of price, by The Dodd's Medicine Co., Limited, Toronto, Ont.

Judge Hanington.

DORCHESTER, Dec. 9.—This evening, while endeavoring to hold his horse, which had become terrified by the roar of escaping steam from the engine of the west bound freight at the depot, after the arrival of the Maritime express, on which he had returned from Moncton, Judge Hanington was thrown to the frozen ground beneath the frightened animal, and after being dragged several feet was run over by the heavy buggy. The horse, being free, made its way home, and the judge was conveyed to his residence in a coach. His honor's injuries consist of a bad wound on the left knee, a bad bruise on his left arm, and other bruises on his legs and side.

Georgia Justice.

SAVANNAH, Ga., Dec. 9.—In the city court to-day, Judge Thomas M. Norwood former U. S. senator from Georgia, fined Private J. E. Moore of Battery A. first Maine artillery, \$500 or six months on the chain gang, for embracing the wife of a prominent county official on the street while the soldier was intoxicated. Judge Norwood administered a severe lecture and characterized the soldier's conduct as that of a heathen.
