DEATH OF AN INFANT.—The infant  
child of Mr. and Mrs. Richard Hamilton,  
who now reside at Orlanburg, died on Sat-  
urday last.

Buy KENDRICK'S LINIMENT.

PREACHED IN JEMES.—Rev. John  
Hughes, of St. John, preached in Jem-  
es on Sunday last.

NEXT WEEK.—Look for the advt. of  
B. Myers in the next issue of the  
GAZETTE.

MOVING TO GAGETOWN.—Judge Ebbett  
will move his family to Gagetown this  
week. He will occupy the DeVeber  
Neales cottage.

ON HER SUMMER ROUTE.—The Stmr.  
May Queen will go on her summer route  
to Salmon River on Wednesday, May 2.  
It is reported that the Grand Lake is  
nearly clear of ice.

For actual value Union Blend Tea ap-  
pear to have no equal.

METHODS CHURCH SUNDAY APPOINT-  
MENTS.—Rev. I. N. Parker, pastor, Sun-  
days beginning May 7th. This  
young man is unexcelled as a castrator  
and will be pleased to accommodate the  
public in any line of the Veterinary Pro-  
fession.

For pains and lameness use Kendrick's  
Liniment.

MOVED TO THE U. S.—The Rev. W. J.  
Blakesley, who has been stationed at  
Jemmes during the past few years, left  
last week for Boston accompanied by his  
family.

WATER FALLING.—The water in the  
river has fallen four inches since Sunday  
and is still falling. The cold weather of  
the past few days has been the cause of  
the fall. It is expected if a warm rain  
should come that the water will rise again.

ARROW DAY.—In accordance with the  
provisions of Regulation 20 (2) of the  
School Law Manual, I hereby appoint  
Friday, May 18th, to be observed as Ar-  
row Day. Teachers will please to observe  
the conditions referred to in the section  
above named, Sub-Section (b).

R. P. STEVENS,  
Inspector of District No. 3.

April 23, 1900.

BIO FIRE.—The greater part of the  
City of Hull, Quebec, and that part of  
the city of Ottawa near the river, were  
swept by fire last week. The damage is  
estimated at \$15,000,000. Several per-  
sons were burned to death and thousands  
of people rendered homeless. About  
1,500 buildings were destroyed. The  
great works of T. E. Eddy, of Hull, were  
destroyed.

PURCHASED A STEAMER.—The Stmr.  
"Fanny," recently purchased by Capt.  
J. Bridges, arrived here on Monday  
morning. Capt. Bridges will command  
her. She is a very fine steamer, and is a  
little larger than the Metello. The  
Metello is now at Indiantown undergoing  
repairs to her machinery.

McMULKIN & JORDAN.—In today's is-  
sue of the GAZETTE will be found the ad-  
vertisement of the firm of McMULKIN &  
Jordan, Hardware Merchants of Indian-  
town. Any person wishing to purchase  
hardware of any kind would do well to  
inspect their stock before purchasing else-  
where. They also carry agricultural im-  
plements, and shoe makers' supplies.

LOYALTY.—On Sabbath evening last  
the Rev. I. N. Parker preached a sermon  
on the duties and influence of women,  
and as he appropriately referred in the  
middle of his discourse to Her Majesty  
the Queen, the large congregation pre-  
sented arose and sang the National Anthem  
with great enthusiasm, commencing in  
the middle of the sentence, as he was  
saying "God bless our noble Queen."

A FINE STORE.—Mr. C. B. Pidgeon  
has moved into his new store at Indian-  
town, which has been built on the old  
site. The store is a very fine brick  
structure and is a credit to that place.  
Mr. Pidgeon spared no expense in mak-  
ing his store an up-to-date one. He has  
one of the best assorted stocks of boots,  
shoes, clothing, gent's furnishings, etc.,  
to be found in the city. The store is  
neatly arranged, with ample accommoda-  
tion for carrying an immense stock of  
boots and shoes, and hat fixings, that can-  
not be surpassed in the city. In fact,  
Mr. Pidgeon employs a number of  
hands in the tailoring department of his  
business. Mr. J. V. Forbes, who is well  
known on the St. John River, is employ-  
ed in Mr. Pidgeon's store.

The STEAMER.—The May Queen  
arrived here on Tuesday afternoon, 24th  
ult., being the same day that she made  
her first trip last year. She has been  
thoroughly repaired during the winter  
and has received a fine coat of paint and  
presents a very neat appearance. The  
officers are the same as last year, except  
the engineer. The Star Line steamers  
have been repaired and repainted during  
the winter and went on the regular  
route on Wednesday. The mail was  
transferred to the new route on the above  
day.

DROWNING ACCIDENT.—A sad drowning  
accident occurred at Nainewauk,  
Kings Co., Friday night, while two  
young men, by name of George Darling  
and Wilton Scribner were out in a small  
cane shooting muskrats. While firing  
the gun the canoe was upset and both  
were thrown into the water. After  
struggling a few minutes in the water,  
Darling sank, but Scribner clung to the  
boat, and was rescued by Robert Prince  
and John Porter. Scribner was nearly  
gone and had a narrow escape. Kind  
friends turned out and grappled for the  
body, which was found about one o'clock  
and taken to the home of his parents.

There Are Others,  
But only use

Modern household  
Remedy.

A PLEASANT EVENING.—A very pleas-  
ant time was spent at the residence  
of Mr. and Mrs. Wm. Cooper on Friday  
evening last, the occasion being a party  
given by their daughter, Miss Gertrude  
Cooper. About forty invited guests were  
present. All the various games were  
played, and a number of musical selec-  
tions were well rendered, and formed a  
pleasing feature of the evening's enter-  
tainment. Ice cream and cake were  
passed round about 11 o'clock. Mr. and  
Mrs. Cooper and family did everything  
in their power to make their guests en-  
joy themselves and feel at home. The  
party dispersed about 12 o'clock, all ex-  
pressing their delight with the evening's  
entertainment.

MAY DELINEATOR.—A new form of  
needlework, very beautiful in its results,  
is shown in the May Delineator. In-  
stead of accomplishing embroidery by  
colored stitches of various lengths, as  
heretofore, very pretty results are obtain-  
ed by sewing carefully to a proper back-  
ground small strips of colored silk cut  
out in the shape of leaves or petals or  
stalks. A most attractive feature of  
the article describing this piece of  
work, is that there is a full page printed  
in colors showing the effect of this dainty  
idea. Thackeray once wrote, "Reason  
among the blessings which Heaven hath  
bestowed on thee, the love of faithful  
women. Purify thy own heart and try  
to make it worthy of theirs. All the  
prizes of life are nothing compared to  
that one. All the rewards of ambition,  
wealth, pleasure, only vanity and dis-  
appointment, grasped at greedily, fought  
over fiercely, and over and over again  
found worthless by the universe." Such  
were the ideals that had hearted but  
cheerful visaged Thackeray worshipped.  
His own experience with married life  
was unutterably sad; for though his wife  
was living yet he suffered the pangs of a  
widower for 23 years. His wife, after  
33 years in the insane asylum, died only  
six years ago. The pathos of it is very  
tenderly told by Clara E. Laughlin in the  
May issue of the Delineator.

IN THE MONTH  
OF MAY

Paine's Celery Compound

Is The Great Banisher of  
Sickness and Disease.

IT HAS BECOME THE POPULAR  
REMEDY IN EVERY HOME.

In the month of May we find thousands  
of tired, rundown, weary and half-sick  
men and women who are not in a condi-  
tion to cope with the work and duties of  
every day life.

Some suffer from sleeplessness, nervous  
debility, neuralgia, rheumatism, dyspep-  
sia, liver and kidney troubles; others, owing  
to an impure and poisoned condition  
of the blood are suffering from unsightly  
eruptions and skin diseases.

Paine's Celery Compound is the only  
true and trusted medicine for the present  
season. It purifies and enriches the  
blood, feeds and braces the nerves, builds  
up the weakened body, corrects digestion,  
gives mental vigor, bright eyes, clean  
skin and sweet sleep.

Physicians are daily prescribing Paine's  
Celery Compound in Canada and hun-  
dreds of druggists strongly recommend it  
to their customers.

Try the effects of a couple of bottles of  
Paine's Celery Compound. If you would  
build up physically and mentally for the  
coming summer, Paine's Celery Compound  
is the world's leading and curing  
medicine; "it makes sick people well."

WAR NEWS

TORONTO, April 27.—(Special)—The  
Telegraph's cable from London says Col-  
onel W. D. Otter, commanding the First  
Royal Canadian Regiment, was slightly  
wounded in the action which General  
Hamilton's division fought at Israel's  
Point, Wednesday.

All despatches in the London papers  
credit the Canadians with having particu-  
larly well in the action at Israel's Point  
on Wednesday.

WANKERSTON, Wednesday night, April  
26.—The Boers, having become subdu-  
ed, shelled the village and the British  
trenches, and it became necessary to give  
them a lesson and to ascertain their  
strength.

Monday night, Col. Paget placed sev-  
eral guns on the river bank under cover  
of darkness, within 1,000 yards of the  
Boer trenches across the river. The  
horses and carriages were withdrawn be-  
yond range, and at daybreak the British  
opened a heavy bombardment with shrap-  
nel and lightning.

The Boers were taken completely by  
surprise, but they replied with fire guns,  
including a 40-pounder. A heavy rifle  
fire was opened at the same time. The  
duel continued many hours, the Boers  
finally evacuating the position with, it is  
believed, considerable loss.

There were no casualties on the British  
side. During the evening the guns were  
safely withdrawn. The evening today  
showed that the Boer lager had been re-  
moved far back to the eastward.

LONDON, April 26, midnight.—The war  
office publishes the following despatch  
from Lord Roberts, dated Bloemfontein,  
April 26:

"Gen. Ian Hamilton yesterday drove  
the enemy off a strong position at Israel's  
Point by well conceived turning move-  
ment, which was admirably carried out  
by Gen. Ridley, commander of the Sec-  
ond Mounted Infantry Brigade, and Gen.  
Smith-Dorrien, commanding the 18th  
Brigade. These troops are today ad-  
vancing toward Thaba N'chu.

"Our losses were slight, only one yet  
reported—Major Marshall, Grahamstown  
Mounted Rifles, severe wound in the  
shoulder."

LONDON, April 25.—The war office has  
issued the following from Lord Roberts,  
dated Bloemfontein, April 25, 3.25 p. m.:  
"The enemy retired from in front of  
Wepener, last night and this morning  
fled northward along the Ladybrand  
Road."

"Their number was between 4,000 and  
5,000."

LONDON, April 25, 11.05 p. m.—It is  
officially announced that Wepener has  
been relieved.

CARLETON, Thursday, April 26.—The  
relief of Col. Dalgety was accomplished  
by Gen. Brabant.

LONDON, April 26—5 a. m.—It is now  
apparent that the chances of Lord Rob-  
erts catching the retreating Boers in a  
net are very slender. The Boers have  
everywhere retired at the very first pres-

sure of the British advance, and the hope  
that General Randle would be able to in-  
duce them to remain at Dewar's Dorp  
until they had been forced to fight or to  
surrender has been disappointed.

No attempt was made to pursue the  
commanders retreating from Wepener.  
Everything now depends upon the pro-  
gress of General French's cavalry bri-  
gades, but they are entering a very diffi-  
cult, hilly and practically unknown coun-  
try.

The cavalry have already had a long  
march over heavy and sandy roads; and  
nothing is known regarding the condi-  
tion of the horses. In any case it is now  
a race between the federals and the forces  
of General French and General Hamil-  
ton.

The slowness of the recent movements  
of the British infantry and previous ex-  
perience of the ability of the Boers to  
move rapidly with guns and baggage over  
their own country, leads to a belief that  
Lord Roberts' enveloping operations will  
fail and will have to be repeated further  
north.

At the moment he will perhaps capture  
some Boer guns and baggage and harry  
the retreating burghers.

Considerable results have been attain-  
ed in the relief of Wepener and in clearing  
the southern corner of the Free State of  
Boers; but the Boer army, whatever its  
strength, has still to be dealt with.

Besides the casualties among the men,  
the Boer bombardment of Colonel Dal-  
gety's position wrought great havoc  
among the cattle and horses. The Ger-  
man could have held out for another  
fortnight, but it is in no condition to  
render much assistance in pursuing the  
Boers.

There is little news from other quar-  
ters. The inhabitants of Mafeking are  
now on a daily ration of two pints of soup  
and two quarts of "skilly."
