## The Lounsbury Garage

Headquarters for Autos and all Auto Accessories a Great Convenience to the Miramichi

One of the most important additions recently made to the business establishments of Newcastle is the Garage of the Lounsbury Co., built last September. The main building, 64 feet front by 75 feet deep, is two stories high. An elevator, with a carrying capacity of more than 5000 lbs lifts the cars to the upper story, where there is room to store some 40 cars, and also a paint shop and vulcanizing plant.

The ground floor contains the retail department, where automobile accessories of all kinds are kept in stock, the show room holding four or five cars, and room outside for some twenty more. Back of the show room is a large well lighted office.

The E.H. is a one-story building 35 feet front by 50 feet deep. In it is the workshop where assembling of parts and all kinds of repair work is done.

An oxy-acetylene welding plant adds greatly to the efficiency of this department. All kinds of welding and lead burning are done here.

In the work shop a big stock of auto parts is carried, including springs of all standard cars.

The buildings are of reinforced concrete. Next fall the basement will be cleared adding another room 64x75 feet to this thriving business.

The manager of the garage with all its auxiliary departments is Mr. J. Russell McKnight.

The recent extension of the Lounsbury business has proved a great convenience to the people of this county.

Holtville left this week to visit their daughters at McAdam.

Little Nan Meir, daughter of George Meir, is convalescing after her recent illness.

During the latter part of May, Mr. and Mrs. Wm. Munn of Holtville were called upon to mourn the loss of their oldest son Chester in the 20th year of his age. The young man had been ill for a number of months with lung trouble. Deceased was towards the end a great sufferer which he bore with wonderful fortitude never complaining and always cheerful. He was a great favorite with the young people and a faithful member of the Baptist Church. His parents, three brothers and two sisters, are left to mourn their loss. The remains were interred in the Baptist Cemetery at Bloomfield, serviced by Rev. H. E. Athaly.
