MUSIC AND DRAMA

affair of Ottillie Van Zandt and ner father's apprentice, Richard Wayne, in the Washington Square home of the Van Zandts in 1840. The young lovers are separated by a stern parent, and the girl married to an unspeakable cad. , By an apple tree, planted before their separation, over a jewel case with their pledge of undying love, which they had suried in the ground, grows end casts its shade over the house and its influence over the story for three succeeding generations. "Maytime" reaches its climax in our own busy time when the grandchildren of the original lovers meet and marry. Because of its four acts, or episodes, are laid in such different eras, as 1840, 1855, 1880 and 1919, "Maytime" has been staged in an appeal,

ingly picturesque fashion, the chief characteristics of each period being accurately reproduced. The excellent company coming here numbers sixty That the Royal Air Force will five persons, including a coterie of se to exist in Canada on Janu- pretty young women, possessed of
