THE GOVERNOR GENERAL'S TOUR .- The Governor General has lately been making a tour through the western parts of the Province, calling at the principal Towns and Vilages in his progress, till he went to the Lake Superior mines. His arrival at the different stages on his route, was uniformly the signal for a general turn out of the inhabitants to give him an enthusiastic wel-come. Here and there, nevertheless, a few evil minded individuals, rancorous in their hate, did attempt to get up a demonstration hate, did attempt to get up a demonstration of an opposite character, but it would not do. At Chatham, he was well received, even Col. Prince and his friends vieing with each other in their efforts. to show him the respect due to his dignity and vir-tues. At Port Sarnia, he was honoured with a public dinner, our old Member, M. Caracter Bee, this the laid to the S.
