### St. George's Church Vestry Meeting.

A special meeting of the vestry of St. George's Church, was held in the new church on Monday evening, Ven. Archdeacon Elwood in the chair, for the purpose of taking steps with regard to the following matters: (1) The adopt-of the Bickersteith Hymnal; (2) The introduction of the envelope system for collection; (3) the renting of the pews, and the ingathering of arrearages in pew

After explaning tha objects of the meeting, the Archdeacon withdrew from the chair, in favour of the Rev. Mr. Hicks, and the consideration of the questions at issue was proceeded with.

It was moved and seconded that the Bickersteith Hymnal be adopted by the congregation. Carried.

It was decided to let the sittings by auction for a choice of situation, after a

graded rental had been placed upon them by a committee consisting of the Wardens and five other members of the congregation.

On motion the envelope system was adopted so far as it applied to the Sunday, collection, and it is also the intention of the church managers to have the proportion of the pew rent per week placed in the envelope together with the

voluntary offering.

It is expected that the new St. George's Church will be opened about the 10th of April, and a correspondence is now going on between the Ven. Arch-

As the train was starting the merchant the pews. Fully \$2,500 will have to be raised annually to meet the requirements of salaries, interest, &c., and the voluntary contributions are looked to to make e difference between the amount raised from the pew rental and the sun

On the question of arrearages, Mr. Dunsford, on motion, read out a state ment showing that some \$700 were yet uncollected in rentals, while the local indebtedness of the church amounted to nearly 8500. After considerable irrelevant dis-

cussion on the above matter, the meeting
