"Young Donald Dinnie," an entire colt, two years old, owned by Thos. Calder, of this township, brings down the scales at 1,550 lbs. Not a bad weight for a colt.

Edward Slennon has tendered his resignation, in the school he has taught so successfully, and intends going to the North West. He will leave about the 1st of April.

James Kelly has sold his entire horse, "Young never mind him," to a gentleman in Blanshard township for the sum of \$500. He is a good horse and will be taken to the States.

Benzmiller.

PERSONAL.—Mr. Jno. Stewart has been off on a business trip to Wingham, Lucknow and Kincardine.

PERSONAL.—Miss Martha Nott, of Tuckersmith, is visiting friends here. Mr. Andrew Heddie, carpenter, has had an offer of work in the Doherty organ establishment, Clinton.

ACCIDENT.—Mr. Joshua Moore met with an accident the other day while trying to roll a log in the bush, it slipped and came on his leg, bruising it severely. He narrowly escaped getting his leg broken.

FATAL ACCIDENT.—A peculiar and fatal accident occurred in this section on Thursday, 23rd inst., resulting in the death of the infant son of Mr. Peter Pihlman. It appears that the child, who was about 14 months old, was sitting in a chair, and in leaning forward to grasp some knitting needles, fell forward to the ground. One of the needles penetrated to the depth of over four inches, and death was almost immediate. Much sympathy is expressed in the neighborhood at the sudden loss sustained by the parents.

Hallett.

Mr. G. Pope last week bought a mare from Mr. James Brown, Huron Road, for \$150.

FARM SOLD.—Mrs. E. Fitzsimmons has sold her farm of 50 acres on the 2d con. Hullett, to Mr. D. Shanahan, for the sum of \$3,000.

NOT TRUE.—The report that J. Crawford, of Hullett, had been killed in the Michigan lumber woods was incorrect. The person killed belonged to Orangeville, and happened to be the same name.

RECOVERING.—We are pleased to learn that Mr. W. McBrien, of the 6th con., who was last week suddenly taken ill, and whose life was for a time despaired of, is now in a fair way of recovery.

BULLS SOLD.—Last week a couple of gentlemen representing an agricultural society in the county of Essex, drove through this vicinity for the purpose of purchasing thorough-bred bulls for use in that section. They purchased one of Mr. Millin, at \$140, and another of Mr. Henry, of the 13th con., at \$175, both of which were shipped on Tuesday, from Clinton. Mr. Millin has since bought another one from Mr. Braithwaite, and Mr. Henry a young one from Messrs. H. Snell & Son.

The Iowa State Register says that the temperance cause in that State, after having failed under the leadership, first of "Honest" men and "young men," and then of "a lot of people who had failed in every other profession and vocation and attached themselves to the temperance cause for the purpose of making a living out of it," is now prospering in the hands of the "young men," and "to day it has with it a power of public opinion and public sympathy, which has but to summon all its energies to make it overmastering and irresistible."

ZOPESA.

(FROM BRAZIL.)

The New Compound, its wonderful affinity to the Digestive Apparatus and the Liver, increasing the dissolving juices, relieving almost instantly the dreadful results of Dyspepsia, Indigestion, and the TORPID LIVER, makes Zopesa an every day necessity in every house.

It acts gently and speedily in Biliousness, Costiveness, Headache, Sick Headache, Distress after Eating, Wind on the Stomach, Heartburn, Pains in the Stomach and Back, Want of Appetite, Want of Energy, Low Spirits, Foul Stomach. It invigorates the Liver, carries off all surplus bile, regulates the Bowels, and gives tone to the whole system.

Cut this out and take it to your Druggist and get a 10 cent Sample, or a large bottle for 75 cents, and tell your neighbor about it.

Counties in Northwest Iowa, are conceded to be the most beautiful and fertile in the State. These farms are to let on terms that no industrious man can fail to make profitable. Immediate possession given. We will, if needed, furnish seed for next year's crop. We will also furnish breaking to be done, for which we will pay the regular prices. Tenants not having teams enough to break with, will be supplied with a horse or horses for that purpose, at market price, and the pay taken in breaking.
