NAPLES, May 17.
Mount Vesuvius was again active
last night. A high column of vapour
and flames is coming out of the crat-
er.

STOCKHOLM, May 17.
A Swedish aviator yesterday, flew
from Malmore to Stockholm, a dis-
tance of 267 miles, without descend-
ing, in four hours and twenty min-
utes.

HALIFAX, May 17.
The United States revenue cutter
Seneca, reported by wireless that she
had picked up the third and missing
boat from the Columbian, and that
the survivors were being brought to
Halifax.

HALIFAX, May 17.
The Minto has been ordered from
Charlottetown to assist 120 fishing
schooners whose passage through the
Straits has been blocked by heavy
drift ice. The schooners are bound
north for port.

WASHINGTON, May 17.
The American Vice-Consul at Sal-
tillo, who was arrested by Mexican
federal officials, and over whose safe-
ty there were grave fears, left Saltillo
yesterday for Mexico City, according
to a telegram to the British minister
in Huerta's capital.

GALVESTON, May 17.
Fire to-day destroyed the ware-
house of the Merchants and Planters
Company, and damaged 11,000
bales of cotton. The loss is \$900,000.
One man was caught under a falling
wall and crushed to death.

LIMERICK, May 17.
The County Council unanimously
resolved to-day to support the na-
tionalist volunteer movement, started
for the purpose of organizing a na-
tional force to uphold the authority
of the Crown and the Government of
Ireland, similar to the Ulster force.

LONDON, May 17.
In a session when newspaper men
are sifting more Irish matter than
anything else it seemed appropriate
that John Redmond should be the
principal guest of the Parliamentary
press gallery, which knows no politi-
cal bias. In accordance with this
the Irish leader abstained from tread-
ing on delicate ground, only en-
croaching when he suggested the prob-
ability of his membership, at West-
minster coming rapidly to a close.
This statement was greeted with
cries of "shame" and "laughter."

JUAREZ, May 17.
Domingo and Mariano Arista, whose
4,000 irregular troops had Durango
terrorized for almost a year are again
out in open defiance of Carranza and
Villa. The situation has now reach-
ed the place where part of Villa's ar-
my, which is now advancing on Sal-
tillo, may have to be diverted to sup-
press them. Carranza is still in Dur-
ango City, and is hopeful of bringing
about an agreement, but so far his
mission has been a failure. While
calling themselves rebels, they refuse
to recognize any authority but their
own, and will not leave the State
which has been such a prolific source
of profit to them.

HALIFAX, May 18.
A report from the Seneca this
morning, says that only five of the
crew of the missing boat were alive
when picked up off the Nova Scotian
coast yesterday morning. The others
had succumbed through exhaustion
and their bodies thrown into the sea
by the survivors. The latter when
rescued were in a complete state of
collapse, mentally and physically, but
are doing as well as can be expected.
They are the chief officer, Robert
Tiece, Oscar Kendall, Peter Ballan-
ger, seaman, and Michael Budwise,
fireman. The men had a terrible ex-
perience in the open boat and were
picked up in lat. 43.26, long. 59.30.
The Seneca is due at Halifax this
morning.

**Boy Knocked Down
by Horse.**

Yesterday afternoon when the C. L.
B. parade was passing Harvey Road
a horse attached to a square-bodied
waggon, in charge of two boys was
frightened by the band. The lads
were unable to rein in the animal,
which ran through the crowd of peo-
ple, but, fortunately only knocked
down one boy, the wheels of the
vehicle passing over him. He was
bruised and injured but not seriously.
It was a wonder somebody wasn't
killed.

A Great Combination!

The "Crescent Felt" Mattresses now made on
NEVER SPREAD principle.

A problem solved in the making of mattresses by the reinforced support of
banded elastic webbing, supporting and maintaining in position the layers of pure
cotton felt of which this superior mattress is made. Tufted and covered in art
ticking of the best quality, and ventilated with the Vacuum ventilator, making it
absolutely sanitary and an article of first quality.

We anticipate that with the addition of this neverspread feature this Mat-
tress will be more popular than ever; and, what is most important of all, we have
put in this big improvement without any additional cost to you.
