**Lessons by Correspondence**

A number of teachers and private students are desirous of obtaining help in their studies and are unable to secure it near their homes. I have, therefore, organized courses of study (each course consisting of 20 lessons) in the subjects named below, the work being done by correspondence. Twenty notes of lessons are provided for each student, 20 tests are likewise provided and the students' answers are carefully reviewed and corrected. Each student has the privilege of asking for any information or help needed in connection with the course.

The fee for each course is \$12.00 and include text books, mathematical instruments (where required), blank exercise books for the answering of the tests; the fee is, in fact, inclusive. Each lesson is set for a week's work and will occupy about five hours a week of the time of the average student. Students cannot take Course 3 unless they are masters of Course 2, nor Course 2 unless they are masters of Course 1.

**COURSES:**

- 1. Beginners' Latin.
- 2. Preliminary Grade Latin.
- 3. Intermediate Grade Latin.
- 1. Beginners' French.
- 2. Preliminary Grade French.
- 3. Intermediate Grade French.
- 1. Beginners' Geometry.
- 2. Preliminary Grade Geometry.
- 3. Intermediate Grade Geometry.

Any course can be begun at any time. Those who need help for the June examinations or for entering College in September should begin at once. Some of these courses may be helpful to busy teachers who have classes in them. Applicants should state precisely what their knowledge of their chosen subject is and forward the fee with the application, when the lessons will be begun at once.

**The Tablets Cured Her!  
 Does Your Case Resemble Hers?**

For twenty years I suffered from heart trouble and nervous prostration. I had constant pain in my left side, shoulder, left arm, and could not get my hand up to my head. Often times I was confined to my bed, and not able to do the least work. I had palpitation, faint spells, cold hands and feet, shortness of breath, (often at night had to be propped up in bed to get my breath) and could not sleep on my left side. I could hardly eat anything without its causing great pain and gas in my stomach. There was a great feeling of oppression about my heart which made it impossible to do even the lightest work, and I did not know what it was to get a good night's sleep. I can hardly describe my serious condition when beginning to take your Tablets. I had consulted several of our best physicians and taken many kinds of patent medicines without success. I sent for your Tablets and took four boxes. I can truthfully say I now have no symptoms of my former troubles, can eat anything I want, sleep well, do any kind of work and have gained fifteen pounds in weight in three months. It is needless to say that your remedy is the best in the world.
