SHE GAINED Fifteen Pounds

A young woman in New York wrote us that

she had lost twenty-five pounds in four months

and her lungs were seriously affected. She had

to give up her position as a stenographer. Some-

one told her to try Scott's Emulsion. She took

three bottles and gained fifteen pounds. Her

general health was so improved that she resumed

her work. Such cases are not the exception,

but the rule. We have known persons to gain

an average of a pound a day by taking an ounce of

Scott's Emulsion

It seems hardly possible, yet we have

received thousands of letters telling of

almost similar results. It's not so strange when

one is familiar with Scott's Emulsion. It sets

the digestion right and furnishes rich nourishment

that is easily absorbed by the system. Good

food does good when it can be digested. Scott's

Emulsion is a food itself, but it helps other food

do good and so the gains in flesh are made

Scott & Bowne, 122 Wellington St., West TORONTO, ONT.

quickly and easily.

for a man to dress and at the same time think kindly of his fellow-beings. You set aside three hours for your toilet, and devote two hours to the little curl which droops over the tip of your dainty ear; but with a man of the practice of smiles and side glances, the studied carelessness of a pose, it is a dismal, serious business up to the last moment.

With a final glance into the mirror, and convinced that if he touched himself it would be only to disarrange the perfection which he had striven so hard to attain, Maurice went down stairs. He had still an hour to while away before presenting himself at the rchbishop's ralace. So he roamed about the verandas, twirled his cane, and smoked like a captain who expects to see his men in active engage was an indication that his nerves were finely strung.

He was nervous, not because he was both comic and tragic, nor because he was to present himself at the archbishop's in a peculiar capacity, that passed several years of his life in the der the rules and auspices of the lest and none won. The figures are as v.cinity of emperors, kings, viceroys, Amateur Athletic Union of the United follows: passed through the process of analysis.

He loved, he loved the impossible and the unattainable, and it was the exhilaration of this thought that agitated in any 24 hours between the same tw him. He never would be the same again—he would be better. Neither did

he regret this love.

Even now he could see himself back n his rooms in Vienna, smoking before the fire and building castles that tumbled down. It was worth while, if membered what he had said to her in the archbishop's garden? He looked at his watch. It was nine.

"Let us be off," he said. He started the first floor and stopped at the feurth. That was the window he must enter. Noiselessly he crept along the walls, stopping now and then to listen. There was no sound except the monotoness dripping of the rain which was and process that I did not come to Bleiberg carelessly in the way of amuse ment, but to work out a part of my destiny." He arrested his steps at the fountain and listened to the low, musionous dripping of the rain, which was and nearer they came; a shadow engrowing thinner and colder.

A. series. at the composition of the jury, which was completed yesterday, and disappointed at the delay in postponing the taking of testimony until Monday. "I am sure of an acquittal this time, she told Lawyer Levy, "and every day only adds to my misery in the Tembs. Ten months and three weeks is a long time to be shut up in prison."

Lawyer Levy said today: "We have new witnesses who will establish Nan Patterson's innocence beyond a doubt. We go into this trial a hundred per cent stronger in point of evidence than we did last trial. We are not going to rely upon the failure of the prosecution to prove its case for an acquittal We are going to prove the innocence

SCORCHED TO THE BONE

Hamiiton Man Terribly Injured by a Shock of Electricity.

Hamilton, April 19. - David Tap-Power Company, was terribly injured at the Victoria avenue sub-station while at work today. He was standing en an iron ladder about two feet away from the feed wires, through which over 20,000 volts of electricity passed, and the current jumped through a space and scorched Tapsley's legs to a crisp, burning the flesh to the bones. His body was also terribly burned. The unfortunate man went stark mad as a result of his awful injuries, and half a dozen men held him until the police arrived and took him to the hospital. The doctors say

WHOLESALE LEAGUE ORGANIZED FOR YEAR

At a well-attended meeting of the baseball enthusiasts of the east end, the organization of the new Wholesale League was completed last night. The league will comprise four teams, and there is no reason why it should not be very successful. Each of the teams reports that it has and good fast ball will be seen this year. The teams which will play are Bennets, Somervilles, Wortman & Wards and the Canadian Packing Company. A committee was appointed to wait on the water commissioners and street railway, to make arrangements for securing the diamond at Springbank. At a preeting to be held next Wednesday a schedule will be drawn up.

The officers elected were: Patrons-Robert Bennet, C. R. Somerville, M. Stone and Ejnar Rechnitzer.

President-C. W. Smith. Vice-President-James Fergu-Secretary-Treasurer - R.

A man's first attack of love seldom lasts long, but he remembers it all his days.

This year it will be a frock coat Easter

As Easter comes so late this year, we have made extra preparations for it. Overcoats will probably be discarded by then, and frock suits will be more popular than ever.

The frock is the only correct dress for church or any daylight function. More people are realizing each year the importance of being correctly dressed from both a social and business standpoint.

The Semi-ready frock coat is an extremely elegant garment. It is made of Cheviots and Worsteds, dressed and undressed. The linings throughout are of satin duchesse or silk serge, with lapel facings of armure or bird's-eye weaves. Prices, \$20, \$25 and \$30.

We would like to show you what a sumptuous garment the Semi-ready frock is. Won't you call and try one on?
