Many famous persons have testified to the great value of Zam-Buk, and amount the most recent is Admiral Rodney M. Lloyd. Writing from the Royal Naval Club, Portsmouth, English

Abother famous user of Zam-Buk is Mr. Frank Sendamore, the war correspondent, who supplied Canadian papers with their dispatches during the Boer war. Mr. Sendamore says: 'Some poisonous dve on my inderclothing came in contact with a small aleer on my leg, and blood poisoning set in Inflammation, pain and swelling followed. My medical man's treatment did not seem to do any good, as ulcer after ulcer broke out, until my left leg from knee to foot was one mass of sores. I had seventeen deep ulcers at one time. I could not put my foot to the ground, and was really in a pitiful state. A friend, advised Zam-Buk, and I applied this herbal balm. It was really wonderful how it seothed the pain.

with the action of the private bills committee yesterday in reporting the fixed assessments. While the term was reduced from fifteen to ten years, no objection was made, as this is the law at present.

"We are perfectly satisfied," said Col. Gartshore to The Advertiser. "We have no complaint to make."

"We would have preferred to have it run fifteen years, but the law is the law, and we should not complain." Said Cormick Mannfacturing Company.

"Perfectly satisfied," declared Mr. T. F. Mc Earland, of D. S. Perrin & Co.

"We expected that it would be reduced to fen years, and consequently the action of the committee came as no surprise," commented Mr. A. White, of Geo. White & Sons. "Whave no complaint."

"The action of the committee is perfectly satisfactory to me," was Mr. F. E. Leonard's opinion.

The orange is the most luscious and health-

most luscious and healthful fruit. California excels in quality of oranges. The best of the California oranges are now packed in individual wrappers labeled "Sunkist."

Five thousand orange farmers in California do their own packing, shipping and selling. They grade and select their crop into "firsts," "seconds," etc. The firsts are fancy, tree-ripened, hand-picked, seedless, fibreless, thin-skinned oranges-every individual orange a perfect specimen of the finest variety of oranges. They are not only more healthful and more palatable than other oranges,

but they are actually cheaper, for they are nearly all meat and nourishment.
Your dealer sells "Sunkist" Oranges. Ask for them. You will know them by the tissue paper wrapper in which each "Sunkist" Orange is packed. You can buy them by the box or half box.

RADIUM REJUVENATES

A Remarkable Experiment With Decrepit Horse.

Paris, March 2.—Prof Gabriel Petit has been experimenting with radium upon a very old and decrepit horse at the veterinary school at Alfort, near Paris. He reports a remarkable result, showing that radium possesses reincenting qualities.

Two injections, each consisting of a large dose of radium, were made. Instead of showing any ill effects the animal seemed to receive a new lease of life. It began to put on flesh and became frisky, while its whole appearance suggested better nourish ment.

The animal threw off a certain amount of radium in the days succeeding the injection, but the blood as till showed considerable traces of sulphate of radium, while the received injection in the hands of a sulphate of radium, while the received injection in the hands of a sulphate of radium, while the received injection in the hands of a sulphate of radium, while the received injection in the hands of a sulphate of radium, while the received injection in the hands of a cortain amount of radium, while the received injection in the hands of a cortain amount of radium, while the received injection is said sulphate of radium, while the received injection is said sulphate of radium, while the received injection is was shall in Chicago.
