Crowds Cheer As Robinson Is Freed From Murder Charge.

NAPANEE, March 4. - "Not guilty" vas the verdict given in the Robinson murder case this afternoon at 3:36 o'clock, after the jury had been sent out approximately three hours and

The crowd broke into cheers when the foreman made his announcement, and brought a severe rebuke from the

judge. During the brief moment of the uproar, however, hats were thrown in the air and handkerchiefs waved gaily all over the hall. There was a long pause before the judge, in a concise statement, almost free from comment and without any expression of concurrence or otherwise on the verdict, told the prisoner be was free to go.

Meanwhile Dr. Robinson stood erect n the dock, with a sunny smile upon his face, waiting eagerly for the prized rder of freedom. Another case was in progress at the time, and the jury had to occupy seats set aside for the grand jury. The foreman's words stumbled disjointedly from his mouth, and for a moment everyone thought the verdict was one of guilty. The accused left at once for Kingston with his wife, mother, brothers and brother-in-law. He will spend some

time there, he said, claiming to have no plans for the present. Resorts-Atlantic City, N. J.
