> to be that Russia made a protest agains the British railroad contract, partly a a feeler and partly as a warning. It the British premier had shown weakness, Russia would have persisted, but in any case Russia, by her protest, elicited ninisterial statement in the House of Commons that the conditions of the loan did not constitute foreign control. Thus Russia obtained a pledge that no such interpretation would be placed on the contract in the event of default, which s a further substantial concession to the Russian claims in Northern China.
> On the other hand, Lord Salisbury scored in securing a withdrawal of the Russian protest. The Times thinks Lord Salisbury achieved a considerable success which must unquestionably strengthen Great Britain's position at

regretable misunderstandings which have hitherto kept Great Britain and Russia

The Times adds that it is sure the British government is prepared to give full recognition to accomplished facts in the Northern Chinese province, and to t Russia in regularizing her position on the basis of reciprocity. This re-mark of the Times shows that the British now accept the Russification of Manchuria as an accomplished fact, and that they only expect their government to secure compensation in other directions.

United States Colored Troops Ter rorize Residents along Their Homeward Track.

Them With Innocent Tramman the Victim.

Atlanta, Ga., March 8.—The Tenth mmunes, colored, Col. James command-ing, who were mustered out at Macon o-day, began to show their illsoon as the train bearing the negroes home began to move out of Macon. Producing revolvers and other arms, which they in some way managed to smuggle with them, they began firing

from the windows.

Bullets flew in every direction as the Bullets new in every direction as train sped on, and passers by were compelled to seek shelter. Luckily only one person was shot in Macon, Will Goodyear, a 16-year-old white boy, whose arm, a the train was fractured by a ball. As the train passed the various stations on the road, the rioting was renewed, shots being fired from the train at the people standing on the platforms.

At Griffin, Ga., where the first section

of the train stopped at 2:30 o'clock this she took a dose of paris green and died afternoon, occurred the most serious within a few minutes. The neighbors trouble of the day. The regiment came within a few minutes. The neighbors trouble of the day. The regiment came promise to make it hot for Kintzer, who over the Central Georgia railroad in three had apparently lived happily with his Griffin the negroes who by this time. sections. When the train stopped at Griffin, the negroes, who by this time had filled up on whiskey, began firing their pistols and yelling like Indians. Over 200 shots were fired, and the police were powerless to resist. The city was at the mercy of the negroes, who kept up a fusiled of shots writh the resist. a fusilade of shots until the train was carried beyond the city limits.

The news of the outrageous conduct

spread rapidly over Griffin, and it was determined that the next section of the regiment should be held in check. Mayor Davis ordered out the Griffin Riffes on his own responsibility, as there was no time to lose. In addition to the militia, Higher Pay for Workers in United
States—wheat and Foodstuffs Weaker.

time to lose. In addition to the militia, the mayor deputized nearly 100 citizens to assist the officers in preserving the peace and protecting the city. About 5:10 the second section came in sight, and above the roar of the train could be heard the rattle of the firearms which heard the rattle of the firearms which were being discharged indiscriminately. When the train came to a standstill the negroes saw 200 heavily armed men, who commanded them to keep quiet. The negroes were awed, and with a few exception those who proved fractious, cracked heads were administered. When the

George Agee, a trainman, was shot in one negro was clipped on the shoulder As the several sections came into the Union depot here they were met by the police reserve, heavily armed. and Great experience of past years is that missionwill withwill witharies have not dealt fairly with the recruited from all parts of the country. The negroes for the most part are fro North Carolina, Georgia, Virginia, Kentucky, Missouri and Ohio. Nearly all

> olume of turnover compares favorably minutes that the train stopped here, there was drinking and disorder amongst. the men. Several shots were fired in the New York, March 10.—The bank air or at the ground. All along the route this conduct was the same. A despatch from Henderson to-night says: 10,884,520 day over the search 1,251,827 roz,257 shot at private houses and should be should be search 1,251,827 roz,257 shot at private houses and should be should be should be regiment seemed to have officers of the regiment seemed to have no control over them." There are similar reports from other points between weldon.

New York, March 10.—Bradstreet's of to-morrow will say: Industrial and trade activity is still a pre-eminent feature of the general business situation. Price strength, too, is notable, especially in view of the rise of February, except in the case of leading cereals and wool. In manufacturing lines the situation is two people at Chattanooga, was searched. were refusal to remain in the cars, to
