NEW CARLISLE

Mr. James Campbell of New Richmond was in town Thursday.

The Women's Auxiliary met at the residence of Miss E. Murison on Tuesday evening at seven o'clock.

Mr. John Hall has left for the Royal Victoria Hospital in Montreal.

The Liberal Convention was held in the Parish Hall, Wednesday evening. About five hundred people attended it, many of whom had come into town that day by train.

The Conservatives held a convention in the Town Hall on Friday.

The members of the Ladies' Guild gave a social in the Parish Hall, Wednesday evening. Miss Robinson and Mrs. Dunn presided at the organ and gave some fine selections, as did also the New Carlisle Band. The rest of the programme was highly appreciated by all, as well as the dainty luncheon which was served at 8.30 o'clock.

The death angel has again visited our vicinity and taken two of our old land marks. First on Sunday morning April 28th, at 7 o'clock, Dr. Lefour passed away after a lingering illness, and strange to say his neighbor Mr. John R. Hamilton who has been very miserable for the past six months passed away Monday evening about 4 o'clock. The former was about 70 years of age and leaves a host of friends. His partner in life predeceased him about four years ago. The remaining members of his family are now here to attend the funeral. Two sons and four

daughters. They have the sympathy of the whole community.

The late Mr. Hamilton leaves a wife one daughter and one son at home and three daughters and three sons in the United States.

Mr. Gavin F. Hamilton his brother-in-law looking after the funeral arrangements. Great sympathy is also felt for Mrs. Hamilton and the little family at home. Deceased was 74 years of age.

The Presbyterians are showing their appreciation of their pastor Rev. G. P. Tattler by presenting him with a quantity of firewood, about 40 loads which was very acceptable as fire wood is rather expensive in this place.

The farmers are getting the benefit of the big price paid for potatoes, I. O. Shumar has bought and shipped within the past 8 days 800 lbs. of potatoes. Oats are rather scarce in this vicinity and is selling for 75 cents per bushel. This is rather encouraging to farmers and we trust more of our people will take up the farming industry.

The skating season is about over, the half way rink has been in good order up to April 21st.

Mr. Elmer and Clifton Scott has returned from Montreal where the former underwent a successful operation for appendicitis.

The local elections is the next item of interest and both parties here are getting down to work.

Mrs. C. R. Scholes left on the 20th for Montreal.

Mr. Kuite representing the Chumy Hardware Co., Quebec, was here for a couple of days last week.

LaBillette, and left Campbellton for the West twenty five years ago. His wife is Miss Bessie Hogan, formerly of Campbellton.

The four month old child of Alphonse Bernatchey, while in its cradle, was very badly bitten by a dog on Monday morning. Doctor Ferguson expects to save the infant. The dog was killed at once with an axe by a boy.

LETTERS TO THE EDITOR

To the Editor of the Graphic:

The Doherty case has been a subject of much comment not only in Restigouche County, but also in many parts of the Maritime Provinces. Every unbiased person believes that a terrible blunder has been committed. The statement of two of the jurors, Messrs. McBeath and Ellingham shows conclusively that there was a misunderstanding in the rendering of the verdict. In view of this public acknowledgement and the storm of indignation throughout the land over such a miscarriage of justice, there should be an immediate investigation.

The Citizens of New Mills at a largely attended meeting, unanimously passed a resolution protesting against the verdict as the final issue of the case and appealing to the Lieutenant Governor-in-Council for an investigation or a new trial.

This is a step in the right direction and other communities should do the same. The Government must be made to see that the Campbellton Graphic is not merely expressing its own opinion, but the voice of the people. The Attorney General is greatly mistaken if he thinks the Graphic has gone "very far in its criticism." By no means, the Graphic is on the ground and knows the feelings of the people whose moral sense is not blunted.

The blood of one of Campbellton's most respected citizens, "rich from the ground" for justice. We have read in Holy Writ that "the souls of them that were slain for the Word of God and for the testimony which they held, cry with a loud voice saying, 'How long O Lord, Holy and True, dost Thou not judge and avenge our blood on them that dwell on the Earth.'"

On the highest authority we are told that the "powers that be" are ordained for the punishment of evil doers and for the praise of them that do well.

This is too serious a matter for political capital, but permit me to say that if the Government refuses to take up this case and deal with it fairly and firmly, a number of the supporters of the Government like myself, will give their answer in a very definite way. Surely their is sufficient ground for an investigation and the matter is not ultra vires. It is yet possible to retrieve the honor of the country, and vindicate the good name of the deceased and extend the hand of sympathy to the sorely bereaved family.

What are Courts and Crown officers for, but for the maintenance of justice and the well being of Society.

Let the agitation on behalf of "White" and honorable and just and good report be continued.

Yours for Truth and Honor

A Patriot.

He says that there is going to be no difficulty as the rifle will be accepted and the team will go.

100 PERSONS CURED OF ECZEMA

Within the past few months over 100 persons have written to the Zam-Buk Co. reporting their cure of eczema, rashes and skin diseases by Zam-Buk!

Does this not prove that Zam-Buk is something different?

Don't you need it in your household?

Miss Mary McCuaig, 913 St. Catherine Street W., Montreal, says: "I do not know words powerful enough to express my gratitude to Zam-Buk. Eczema broke out on my scalp and hair. The irritation of the scalp was so bad that I could not sleep or rest, and I feared I should have to have my hair cut off. On my hands the disease appeared in sore patches, the burning and itching of which drove me many times to spells of weeping. I went to the dispensary, but they referred me to a skin specialist, who said that none was as bad a case of eczema as he had seen. He gave me 'Laine' ointment, and then a second lot, but neither gave me any relief.

"I was in a very bad condition when Zam-Buk was introduced, but I soon found out that it was different from all the other remedies. I used it with the Zam-Buk treatment, and such lot did me more and more good. The irritation and smarting soon disappeared, then the sore began to heal, fresh healthy skin grew over the parts which had been sore, and I am now quite free from all traces of eczema, both on head and hands. My hair has also been saved."

Zam-Buk is also a sure cure for piles, eczema, skin eruptions, cuts, burns, etc. It is a sure cure for all skin diseases, and is sold by all druggists and stores, or Zam-Buk Co., Toronto, Ont. Price, 25c. per box.
