

LOCAL STOCKS FIRMER

BUT BUSINESS OF THE EXCHANGE CONTINUES DULL

A Bank Holiday in England... Reported to-day—Montreal Stock Quotations—Chicago Market Report—Liverpool and London Cables.

Wednesday Evening, May 1. To-day being a bank holiday in England there are no quotations from the English stock markets. In the State of New York to-day is also a bank holiday, and Overseas and New York markets are closed. This has the effect of rendering the trade interest for the day very quiet.

The creditors of J. F. Austin & Co., jewellers' jobbers, held a meeting on Tuesday afternoon, but as there was such a small proportion of the total interest present nothing was done. The statement submitted by Mr. Austin shows assets of \$83,999 and liabilities of \$78,714. Mr. Austin made an offer of 40c on the dollar.

On the local stock exchange to-day, notwithstanding the fact that bank shares as well as loan and miscellaneous were very strong and steady, there was but little business transacted. Montreal was a high bid at 124, dividend 2 1/2, and Ontario at 124 1/2, dividend 2 1/2. Merchants' Bank of Canada was at 124 1/2, dividend 2 1/2. The price of the Toronto Stock Exchange was 124 1/2, dividend 2 1/2.

It Made Mother Strong

My mother has been using PAIN'S CELEBY Compound for nervous prostration, accompanied by melancholia, etc., and it has done her a world of good. It is the only medicine that strengthens the nerves.

I am in my 64th year. Have been afflicted in several ways—could not sleep, had no appetite, no courage, low spirits. I commenced using PAIN'S CELEBY Compound last fall, and from the third day after using it, I now have a good appetite and can sleep well. My nerves are strong and I am almost like a young man.

PAIN'S CELEBY Compound is of unequalled value to women. It strengthens the nerves, regulates the system, and cures the various ailments which women are so often afflicted with.

W. BAKER & CO., 222 King-Street West, Toronto.

EPPE'S COCOA. BREAKFAST. "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Eppe has provided for our breakfast a delicious and healthful beverage which may save us many heavy doctor's bills. It is the just reward for our care of our health. Hundreds of subtle poisons are floating about in our blood ready to attack wherever there is a weak point. We may escape for a time, but keeping ourselves well fortified with pure Cocoa and properly nourished food, we can greatly assist in our own defence."
