Holloway's Ointment and Pills again Successful in the Cure of a Bad Leg.
Extract of a letter from Mr. Brotherton, of Stangra, near Boole, January 15th, 1854.

To Professor Holloway—Sir.—After my wife's confinement in 1850, she caught a severe cold, which settled in her right leg and foot, causing it to swell to an alarming size, ultimately forming into about twenty wounds, or ulcers, presenting a most fearful appearance. The pain she endured was almost insupportable, and the treatment of her medical attendants did no good whatever. She therefore resolved to give your Pills and Ointment a trial, and I am happy to say they have effected a perfect cure.

This Paper is filed, and may be seen free of charge, at Holloway's Pill and Ointment Establishment, 241, Strand, London, where Advertisements and Subscriptions will be received for this Periodical.

OPENED IT UNDER THE ABOVE TITLE

WITH MAGNIFICENT & MOST EXTENSIVE STOCK OF DRY GOODS,

The Subscribers have been induced to take this step from a conviction that the people of St. Andrews have not hitherto enjoyed those advantages for buying goods from a

LARGE, WELL ASSORTED, AND FASHIONABLE Stock, that the extent and importance of the place, would warrant them in expecting. With the view of affording this desideratum, a partner of this Establishment has visited the European and American markets, and bought with great advantage, a stock of Goods, which for taste, variety, quality and CHEAPNESS, cannot be surpassed by that of any house in the Province. It would be impossible in the limits of an advertisement, to particularize, but on inspection it will be found to contain everything that is supplied by the most extensive houses in the first cities in B. N. America, from the minutest article in Haberdashery to those of the more costly character in DRESSES, SILKS, SHAWLS,

VELVETS, &c. &c.

Particular attention has been paid to the Woollen department, which will contain every novelty of the season, together with a large supply of BROADCLOTHS, DOESKINS, CASSIMERES, &c.
