heart, is the only lasting thing! We two, ah, what did we know of love

when roses of June were red! When you wept sweet tears at a song, or sobbed at some thoughtless word I And blushed if I only kissed your hand or a kiss on your fair, brown head. Our hearts were light as brown bubbles

A Splendid Display of CROCKERYWARE, true, and lovers walk hand in hand.

I talk like a lover? Of course I do. What should I talk like, pray?

For a man is never a lover true to the girl of his heart, I say,
Till he's lived as her husband forty years and seen her grow old and gray.

Mrs. Becket, watching from the window, with the sloping mountain wall on one side, and an abrupt descent on the other.

But could they reach it? That was the question that flitted through Ben's brain question through Ben's brain question that flitted through Ben's brain question through Ben's brain question through Ben's b e's lived as her nusband and gray.

and seen her grow old and gray.

—Judge.

They Say. The blackest scandal brain e'er wrought, The vilest tale with falsehood fraught, That filled the hearer with dismay Was prefaced by the words "They say." Whene'er the scandal-mongers meet Their venomed stories to repeat,
They'll preface all their foul array
Of slanders with the words "Then say."

shame
Than all the words that tongue can name;
Wrung more poor hearts with bitterest woe
Than tongue can tell or mind can know. "They say" has blightened many a life And set the dearest friends at strife, Made discord frown where peace should

smile, Made virtue seem the blackest guile. "They say" has placed the outcast's brand Upon the noblest in the land; To dire despair a poor soul driven, And lost its happiness and heaven.

'They say" has dimmed the fairest fame And blackened many an honest name— Bowed low with grief and guiltless head, And smirched the memory of the dead.

Partice wishing a good article at a low price, will please apply to

And smirched the memory of the dead.

Select Ziterature.

Which she proceeded to test, and a bottle of ink.

The cause of this excitement in the Becket household was an offer of a prize to the scholar under sixteen who should write the best essay. The prize was to be a thorough education for whatever profession the winner might choose, and the eontest The kitchen clock was purring, preparatory to striking, when Ben awoke, sufficiently aroused to count the strokes.

"Five o'clok," he said, with a contented sigh, and turned over for another nap, for seen the subject of the essay would sigh, and turned over for another nap, for seen the strokes.

"Five o'clok," he said, with a contented sigh, and turned over for another nap, for seen the subject of the essay would sigh, and turned over for another nap, for seen the subject of the essay would sigh, and turned over for another nap, for seen the subject of the essay would sigh, and turned over for another nap, for seen the subject of the essay would sigh, and turned over for another nap, for seen the subject of the essay would sigh, and turned over for another nap, for seen his strong sister in even an approach of fainting, and thought she must be dying.

"Never mind, Ben," she said lifting her the allowing from her fingers. She had, indeed, held on "like grim death," and her hands, which had struck first, were badly cut by the hard snow.

"Poor Allie! poor Allie!" Ben was saying, and each word was almost a sob. He had never before seen his strong sister in even an approach of fainting, and thought she must be dying.

"Never mind, Ben," she said lifting her hands, which had struck first, were badly cut by the hard snow.

"Poor Allie! poor Allie!" Ben was saying, and each word was almost a sob. He had never before seen his strong sister in even an approach of fainting, and thought she must be dying.

"Never mind, Ben," she said lifting her had she with the poor Indian is worthy of the highest commendation.

The Bast Blood Builder.

ently aroused to count the strokes.

"Five o'clock," he said, with a contented sigh, and turned over for another nap, for five o'clock is very early on a cold winter's morning, even on a farm.

The particular farm where this took place was located upon a hill-top, and consisted of a little "garden spot," a few acres of meadow and a few more acres of stony patture land. It was in New England, of course, and after a fashion it supported the Becket family.

A footfall in the kitchen adjoining fell upon Ben's sleepy senses; then a line of light glimmered under his door, and in spite of himself he was wide awake.

He had no thought of burgulars, for no thief in his senses would choose the Becket house to rifle. "Somebody must be sick," grants and after a few oats in a measure, Allie, and hold get a few oats in a measure, All

hands, one of which pressed a handkerchief to her smarting cheek, he stepped from Ben, suddenly, "if you don't mind-and the platform with a sympathetic expression on his kind old face.

"How did it happen? Where is she going?" he asked in a breath. Ben hurriedly explained. "You'll look out for her, conductor, won't .you?" asked the boy, anxiously; good hand at steering, wouldn't you?"
"Yes, I'll go—if mother'll let me," she "she's most used up. I'd go with her if there was any way of getting word to

"I'll look out for her-my wife is on the "It's the only way, mother, and I'll take train, and she'll take care of her," said the conductor, as he helped Allie up the car

must be decided at once, and perhaps her steps.

put up the horse, had tucked her snugly her. Ben grin.

"And the patronizing air they put on in speaking to me! I tell you, Ben, I'm tired and had jumped on with his feet out belady's kindness. "Just fix my right-hand had jumped on with his feet out belady's kindness."

Forty Years.

Married how long ago? Count the years by the slim, old wedding ring, Once thick and heavy. How fast they fly, the winters that melt in the spring!

And youth goes with them; so love, sweetheart, is the only lasting thing!

And the summer. I feel that God made me their equal, if I am poor, and I don't want to obstruct his vision, and in ten seconds to ob help it. That's why I want to write the best essay—if I only knew what the subject would be, Ben!" she added, meditatively. What a glorious ride it was! Not a ride, but a flight did it seem as they sped down the icy mountain almost as fast as an express train could travel. Fortunately the wind was at their backs. If the icy mist hart's my advice."

When he had given in, Ben returned to but the faces the ride would have been impossible.

"Yes, but they mustn't get stiff to-day, don't care about to-morrow. You see I'm going to Harwood to compete for the scholarship, and I must be able to write, of course; penmanship, may decide the context wind was at their backs. If the icy mist have been impossible.

"Somebody's coming up the mountain, to-day." for a short rest, when the train reached "Well, let him turn out then, there Harwood, and then sent her to the place where the competition was to take place, "He isn't turning out! Call to him; In two or three weeks the "notification "Hi, there!" yelled Ben at the top of came to Allie, the notification of the reward

Since then, oh, the long, long road we have wandered through calm and storm,
When leaves flew by us and snowflakes whirled and we watch the swallows form.

When leaves flew by us and snowflakes whirled and we watch the swallows form.

Allie put up her hand quickly, and coversion.

Allie put up her hand quickly, and coversion.

They could not stop the sled, as well as the side of the family; but he changed his mind very shortly, for the notification was a personal one, to the effect that Miss Alice Becket was the win-

again—he's smiling. Dear girl! There's no one can lighten the shadows as she can."

As the day advanced, the cold grew less intense, and for an hour the snow fell thickly. Then came a drizzling rain, which froze as it fell.

"We can take a sleigh, I guess, mother," said Allie. "There's been so littlesleighing this winter that I shall enjoy the ride. It seems to me I never saw such a blizzardy winter—plenty of snow, too, but all drifted so that it has been of no use."

"Yes, I like to see the ground white again," said Mrs. Becket, "but 1 hope it won't be very deep, for your father took the wagon."

"Not much danger now since it's turned"

"Not much danger now since it's turned"

again and ara arrupt descent on the other.

But could they reach it? That was the question that flitted through Ben's brain cagain and again, quicker than light.

Yes; they were just in time. Here was Denman's pasture, and the team still two rods away! Ben threw himself sidewise to turn the sled upon the level ground, but the sled upon the level ground, but the ry can take a sleigh, I guess, mother,"

said Allie. "There's been so littlesleighing this winter that I shall enjoy the ride. It seems to me I never saw such a blizzardy winter—plenty of snow, too, but all drifted so that it has been of no use."

"Yes, I like to see the ground white again," said Mrs. Becket, "but 1 hope it world the very deep, for your father took the wagon."

The momentum was still great, and after world the very deep, for your father took the wagon."

"Not much danger now since it's turned on the older through Ben's brain and again, quicker than light.

Yes; they were just in time. Here was Denman's pasture, and the team still two rods away! Ben threw himself sidewise to turn the sled upon the level ground, but th

won't be very deep, for your father took the wagon."

"Not much danger now since it's turned to an ice-storm. It will probably thaw before night."

At half past ten Mrs. Becket put a "drawing" of tea in the white crockery teapot, and set it on the stove.

"Tell Ben to harness the horse, Allie," she said, "and do you get ready, child. I know it's early, but you'd better not take any chances."

The girl obeyed, and soon returned dressed for her journey, and carrying a little package of stationery, a box of pens which she proceeded to test, and a bottle of ink.

Winting completely around, in a snowbank over the rock, and landed in a snowbank over the rock, and show a snowbank or spantitude of the state of the land. Kings Co., writes: "A short time sir I procured two packages of your Bitters. A scarcely closed over his own.

Snow fell in all directions for a minute, so that she is now able to go the school. Since taking the tern, however, she is much the r
