Miss Reed is home from Halifax, the dental college having been closed. Miss Daisy Barton, teller at the Canadian Bank, has been transferred to St. John. Mrs. G. P. Neily, of Port George, was the guest of Mrs. N. F. Marshall one day last week. Mrs. W. D. Morton has recovered from her illness and is now visiting her parents, at Port Williams. Miss Julia Roop, of Bentley's, Ltd., is spending Thanksgiving at the home of her parents in Springfield. Ralph Marshall, of Kentville, was in town on Friday on his way to Falkland Ridge to spend a few days. Mr. Mahoney, who was formerly of the Canadian Bank staff, has been again transferred to Middleton. Miss Lettice Scudder, formerly of Middleton, but now of Massachusetts, recently underwent an operation for appendicitis. Much sympathy is felt for Mr. and Mrs. David Langille, also their sons Chester and Harold, their son Lloyd having died of wounds. Trooper Jos Phinney, of Middleton, who went overseas with one of the first Canadian contingents, is now enjoying a leave in England. Freeman Beals, who went overseas with the 40th Battalion, arrived home on Thursday night's train; also Rez. Neily, son of Mr. and Mrs. J. P. Neily, of Brooklyn, and Fred Simons, son of Mr. and Mrs. E. L. Simons. Willard Gates, son of Mr. and Mrs. Willard Gates, arrived on Friday noon's train from overseas. These are a few of our brave boys who have seen a good deal of fighting against the Huns and have been spared to return to their homes.

FALKLAND RIDGE

Mable Marshall returned from Truro the 8th. Bernice Sproule spent the week-end at Bridgewater. Mr. M. Foster, Inspector of Schools, visited this school Oct. 1st. Thanksgiving service in the church here on the evening of the 14th. Mrs. Henry Allan and daughters left for their home in Halifax the 7th. Mrs. A. Rhodenizer, of New Canada, is visiting relatives here this week. Mrs. D. D. Starratt and Mildred Starratt spent the 11th with Mrs. S. Charlton at Lake Pleasant. Mr. and Mrs. Willard and little son Howard, spent the week-end at New Germany, returning Monday. Ralph Marshall, of the Kentville Sanatorium, is expected home today, the 11th, to spend Thanksgiving with his parents here. Mr. and Mrs. Vernon Wright, of East Dalhousie, spent the week-end guests of Mr. and Mrs. Harold Mason. Mrs. Louisa Lowe, of East Dalhousie, is spending a few weeks at the home of Mrs. Dennis Wagner.

Mr. George Johnson arrived home from St. John on Wednesday. Mrs. Florence Whitman returned on Wednesday from a visit to friends in Upper Clements. Miss Matilda Adams, of Bay View, has returned home from a visit to Miss Ada Mussels. Mrs. William Reid and two children, of Moncton, are visiting her old home and relatives. Mr. and Mrs. Percy Amero have gone to St. John, where Mr. Amero is working in an ammunition factory. Mrs. Archie Deveau and son, who have been visiting Mr. Deveau at Mr. Edward Johns, have returned home. Misses Jose Amherman and Emma Parker, of Granville Ferry, spent the week-end at the home of Mr. F. R. Parker. Mr. and Mrs. Ernest McGrath have arrived from Western Canada to spend the winter with Mrs. Almada McGrath. Mr. Walter Deveau, of Marvett, Digby County, arrived on Wednesday to work in the shipyard and is boarding at Mr. Edward Johns. The harvest service, which was to have been held in the Methodist church on Sunday morning, was postponed on account of the down pour of rain. But on Tuesday evening, a very interesting service was conducted by Revs. Patterson and Munroe of Annapolis. The church was beautifully decorated with flowers and autumn leaves and the display of vegetables reflected great credit on the farmers of the community.

NORTH WILLIAMSTON

Mr. A. C. Stevenson went to Halifax last Saturday for special treatment. Miss Mildred Garber has returned home, after spending two weeks at Annapolis Royal. Miss Edith Haynes, of Annapolis, spent two weeks with her cousin, Mrs. John Garber, quite recently. Mr. Outhit White and daughter, Mrs. Chas. Alexander, visited friends at Phinney's Cove during the past week. Mr. William W. Whitman received the sad intelligence on Wednesday that his daughter-in-law, Mrs. Andrew Whitman, of Edgewood, R. I., passed away on Sunday, the 6th inst., of Spanish influenza. Mrs. Whitman leaves a sorrowing husband and two little sons, besides a large circle of friends, to mourn deeply their sad loss. She had many relatives here, who learned of her death with deep regret.

CENTRELEA

Mr. Johnson Bruce made a business trip to Digby last week. Mrs. Roy Johnson spent the week-end at her home in Digby. Mr. Donald Brooks returned home last Tuesday from Halifax. Miss Lola Caldwell returned home from Bridgewater last Monday. Our community was saddened last Friday morning by learning the death of Mrs. Susie Tupper, of Tupperville. Much sympathy goes to the bereaved family. Mr. Edward Messenger received word last Wednesday stating that his brother, Dr. Freeman Messenger, of Middleton, was very low with blood poison and is no better at the time of writing.

ROUND HILL

Many here are suffering from colds, "to be in line," Spanish Flu. Many are reporting large tomatoes from their gardens. So far, we think H. B. Whitman has the largest heard from this year. From a cluster of five tomatoes, one weighed at C. C. Rice's store, 1 pound and almost 7 ounces; next one 15 oz., and not one under 12 oz. This same bunch was only one of four clusters on one plant. George Saunders, our young entomologist, dug on his farm here from Vek's extra potatoes, two hills which he weighed, tipping the scales each at 8 1/2 lbs. per hill, and his men found many at 6 1/2 and 7 lbs per hill. They were beautiful looking tubers, too. Can any other farms report better results? Mr. Alex. Simmon's son, Arch, is ill with gas poison, reported better, while Hugh, youngest son of H. B. Whitman, is in hospital in France with blood poison. He wrote Sept. 14th. So each one here has their share of worry. Rex Shaw, son of Geo. Shaw, who was wounded for the third time, is improving and soon hopes to be going on leave. Ernest Gibson reports, he too, is feeling better, although the bullet is still in his side, or was, the last letter received, and still giving trouble. In this way the boys try to relieve the worry at home by making light of their sufferings. No one is deceived, though, and it all goes to show how brave they are.

Our village has again paid a heavy price for victory on the Western front and sad news indeed to two more homes. Flight-Lieut. J. Rokby Robinson, the eldest son of Mrs. Seraph Robinson, is reported missing. This young hero went over with the original 25th Battalion. Thinking he could help more to win the war by joining the Air Force, he resigned from the 25th and entered the Royal Flying Corps, where he has certainly made good until Sept. 24th, when word came, "Missing." Rokby married a few months ago, a young English girl, and her letters, the mother of her gallant young husband are proof of her culture and affection. We trust better news reaches this young wife, and also the mother and aged grandmother, brothers and sisters, who are waiting with true courage the word that means life or death. Miss Phyllis Robinson, only daughter of Mrs. Seraph Robinson, who has been with the Royal Bank of Canada in Middleton, has resigned her position, the work being entirely too hard for her. We trust she soon recovers her old strength. The loss of a dearly beloved one is also helping retard the healing of nerves that overstudy and work have impaired. Mr. F. E. Mason has received the sad news that his only son was killed in action on Oct. 1st. This young man, George E. Mason, enlisted with the very first men to go from Canada, at the early age of 17 years, giving up a career at King's College to fight for freedom for the world. He has won the Cross de Guerre of Belgium, and has frequently been mentioned in despatches. The mother and two sisters are in British Columbia, where Mrs. Mason left Saturday to join them. He is closing up his house and selling off all stock. Mr. Mason is an Englishman, who came to Round Hill only eight short years ago, buying one of the finest farms in the Valley, "Woodlands," from Henry B. Whitman. Mr. Mason and family had made many warm friends in the village, and every one feels for he and his family in this time of their suffering such an irremediable loss.

MELVERN SQUARE

Mr. West, of Kentville Sanatorium, spent a few days last week with his friend, Forest McNeil. Mr. D. M. Outhit, accompanied by Messrs. Spidel and Phinney, attended Court at Annapolis last week. Miss Brown, who has been ill of measles, took charge of her school here on Monday of last week. Mr. Robert Feltus, of Lawrence-town, made a flying visit to friends in Melvern on Saturday, 5th inst. Mrs. Edwin Baker recently spent a few days at the home of her daughter, Mrs. Cox, of Weston, Kings Co. A few cases of grippie are reported in Melvern, and the scare of Spanish influenza is rapidly making its way here. Miss Myrtle Morse returned to Wolfville last week to resume her work in taking a college course at Acadia. Kenneth McNeil and his friend, Miss Caldwell, of Kentville Sanatorium, spent the week-end at his home here recently. The work of the Red Cross Society is being carried on in Melvern with as much zeal as ever, regardless of "war-time" expense. The ladies of the Methodist Circle meet every Wednesday afternoon, instead of Friday, as formerly, and are doing good steady work. Mrs. John Masters, who has been engaged in Waltham, Mass., for several months, has returned to her home in Melvern, and will remain during the winter. We are sorry to report Alden Brown in very poor health, at present, as he does not seem to be recovering from an attack of measles as his friends would like to see him. "Rally Day" was observed in the Methodist Sabbath School here on Sabbath evening, Sept. 29th, the usual program being carried out, followed by a stirring address by Rev. Mr. Hockin—the best feature of the evening. About every other day has brought a rain storm of late and the farmers are almost discouraged, some fields of grain and potatoes being still under water, and apple picking right on hand. Truly, the farmer is not having a picnic this year in gathering in the products of his farm.

Mrs. Stanley Bogart, who has been visiting her daughter, Mrs. Percy Coyne, who has been twice wounded, returned from Windsor, Tuesday. The members of the Band and others enjoyed a dance in the home of Mr. and Mrs. Grant on Wednesday evening. Music was furnished by the Band and a violin. Two more of our boys who have been "over there" arrived home. Harry Payne, who has been twice wounded, came home on Thursday; Lorne Buckler came on Friday. Both are enjoying the rest far away from the sound of battle.

ST. CROIX COVE

Miss Annie Healy has gone to Boston, Mass. Miss Kate Neaves, Wolfville, visited relatives here recently. Misses Eva and Lucy Marshall returned from Windsor, Tuesday. Mrs. Emerson Mitchell, Hampton, spent the week with friends here. Mrs. Louisa Foster, Hampton, is visiting her daughter, Mrs. Zachueus Hall. Minard's Liniment cures Garget in Cows.

YOUTH-TIME

The important time to lay a strong foundation for robust manhood is while life is young and the body developing. A growing child needs every possible help to conserve energy and confirm the body in vigorous health. To a developing child

While Canadians are accustomed to two pounds of creamery butter per person, per month, or 8 ounces per week, the people of Great Britain at the present time are confined to 1 ounce per week, per person, and 8 ounces of butter over there includes a larger proportion of Oleomargarine.
