

BEAVER FLOUR
A PERFECT BLEND
OF MANITOBA AND
ONTARIO WHEAT

Manitoba wheat contains more food value than any other. It makes the most wholesome, most nutritious Bread and Biscuits. But it contains so much Gluten (Nourishment) that the dough won't rise properly, and the bread is both heavy and gray.

Ontario wheat does not give as nutritious bread as Manitoba wheat. But what it lacks in food properties, it equals by the taste lightness of its Biscuits, Cake and Pastry. For Pastry, alone, Ontario flour is better than any other flour made of a single variety of wheat.

That is the reason, too, why Manitoba wheat flour does not yield good pastry.

Beaver Flour

is both a bread flour and a pastry flour. It is a blend of { Ontario Fall Wheat } It contains just the right proportion of each to make the most nutritious Bread—the whitest Bread—and the lightest, most delicious Pastry of all kinds.

Beaver Flour also yields MORE Bread, etc., to the barrel, than any other.

No matter what other flour you are using, you are not getting the best results because you are not using the best flour.

Order a trial sack of Beaver Flour. The first baking will prove its quality.

ANNAPOLIS SS. The Municipal Council ANNUAL SESSION 1908

(Continued from last issue.)

Wednesday afternoon. Council met at two o'clock. All councillors present. Minutes read and approved. The delegation from the Annapolis Town Council was then heard. Judge Owen and Mr. Frank Whitman were heard as such delegates. They complained of the inefficiency of the ferry service.

Ordered that any gentleman present who desired to be heard, be now heard as to the complaint against the steam ferry service between Annapolis and Granville Ferry. S. C. Shaffer, Capt. Delap, Judge Owen, A. E. Allen, and W. H. Weatherspoon then addressed the Council on this subject.

Ordered that a committee of the Council be appointed to confer with a committee of the Annapolis Town Council and a committee of the Annapolis Board of Trade this evening at 7.30 o'clock at the office of the town Clerk and report to this Council on Thursday morning.

The following is the committee: E. H. Porter, J. H. Charlton, Freeman Fitch and the Warden.

Ordered that the same auditors be reappointed for this year.

Ordered that the report of the Superintendent of the County Hospital be read be received and adopted.

The following is the report:

REPORT OF SUPERINTENDENT OF COUNTY HOSPITAL, 1907.

To the Warden and Councillors of the Municipality of Annapolis County: Gentlemen,—I beg leave to submit the Superintendent's annual report of the Annapolis County Hospital for the year ending Nov. 30th, 1907.

RECORD OF INMATES 1906-1907.

	Admitted	Discharged	No. Inmates
Male	100	95	5
Female	10	10	0
Total	110	105	5

Inability to procure help has now become a daily experience. For five successive months we were unable to procure a cook. This in addition to her many other duties was compelled to take upon herself this excessive work, and on several other occasions was obliged to perform extra work due to vacancies.

IMPROVEMENTS AND REPAIRS.

Several rooms and halls have received a much needed coat of paint, also doors, windows, etc.

As usual each department required numerous, though not extensive repairs.

A partition was put through the sewing room and one part taken for a place in which to store drugs and of free combined, the former one being too small for that purpose, and the latter used as a trunk room, the former trunk-room being inconveniently situated and unnecessarily large for that purpose, can now be utilized as a dormitory sufficient for the accommodation of two patients.

ADMISSIONS.

It will be seen at the beginning of the year there were 33 patients in the Hospital and during the year 8 were admitted, 6 died and 4 were discharged.

Children Enjoy It

"I have used Coltsfoot's Expecto-rant with the greatest satisfaction with my children. It is a wonderful cure for colds and sore throat. I believe it saved the life of my little son, who was very sick from a protracted cold on his lungs."

MRS. ANNIE BRAMBLER, Orangeville, March 15, 1907.

"I am greatly pleased with the good results we get from Coltsfoot's Expecto-rant. I get great comfort with it for my children."

MRS. WALTER HAMMOND, 171 Argyle St., Toronto.

Coltsfoot's Expecto-rant is the greatest home prescription for all throat and chest troubles in the world. No home should be one hour without it. You can have free sample by sending name to Dr. A. Sloan, Ltd., Toronto. All good druggists keep it. Price, 25c. Send for Free Sample To-day.

leaving 51 in the Hospital at the close of the year.

We received numerous applications from various counties, during the year for the admission of Patients. 5 only were accepted owing to the lack of room.

REQUIREMENTS.

It is quite evident by the plan on which our Institution has been built, that very little thought was given, as to the class of inmates, who would in time occupy the same, or to any particular part that would in any way lighten or facilitate the work of the Institution.

It is needless to say that the inconvenience resulting from this condition, can only be properly understood by those engaged in the work of the Institution, especially at this time when sufficient help cannot be procured.

The following is now important than the plan of a building, if properly done it not only tends to lighten and facilitate the work, but adds to the comfort of its inmates, and to the economy of the Institution and it is in this direction that those who are in any way responsible for the management of the Institution are putting forth their best efforts.

I take much pleasure in recording the fact that those in charge have succeeded to a large extent during the last few years in reducing the disadvantages which formerly existed, not forgetting the combined efforts of the Comm.tee especially those of the Chairman, who through his indefatigable devotion to duty and good counsel, has under very trying circumstances placed our Institution in the creditable condition in which it stands today.

Though every comfort has been provided for the inmates, and various improvements made, there yet remains various and in some instances extensive alterations to be made in the different departments in order to facilitate the work of the Institution and for the accommodation of a certain class of inmates.

The attic windows are so constructed that not only are they somewhat peculiar in appearance, but they do not sufficiently keep out the cold and snow, which frequently drifts into the rooms. I feel that for the comfort of the Patients who occupy these rooms, that it is necessary to construct new windows.

The hot water tank contains only forty gallons of water, this may be sufficient for the ordinary family, but for an Institution of this kind it is necessary that one containing 100 gallons should be in use, and we have every reason to hope that one of this size will soon take the place of the present one. It would appreciably increase the facility for the bathing of patients and for the large amount of clothing which requires washing.

GENERAL ROUTINE.

Upon rising in the morning, each Patient is properly washed and attended for the day and takes their meals in dining rooms suitably adapted for that purpose.

Halls and sitting rooms are provided for their comfort during the day and reading matter is supplied by kind friends for the number who appreciate the same.

Services are held at the Institution and all patients whose conditions will permit attend. It is needless to say that all appreciate this privilege.

Patients whose mental condition will permit them to work and who prefer the same to that of idleness, assist in the various departments.

Everything is done as far as possible to relieve the monotony of any life, in the way of recreation and entertainment.

Patients are bathed regularly and in suitable weather are taken out for a walk on the grounds.

The diet scale is good and only supplies of first quality are purchased.

Every effort is made to cook the food in a proper and appetizing manner.

ACKNOWLEDGEMENTS.

We are indebted to the following for the supply of reading matter: Magazines, Rev. A. J. MacDonald, Dr. Jost, Miss Annie Outhit and Mr. Quirk. Papers: The Monitor and Sentinel.

Thankful recognition is due Dr. Jost who so willingly conducts the services at our Institution, which are greatly appreciated by the inmates.

Mrs. Jost and others who presided at the organ and who took part in the singing during the services and to those who in any way contributed toward the welfare of our Patients, we are deeply indebted.

With the bountiful supply of vegetables on hand, I cannot fail to bear witness to the very efficient manner in which Mr. Myers conducted the affairs of the farm and to the perfect harmony which prevails between the employees of both Institutions.

May I be permitted to extend my most hearty thanks to all those who are in any way connected with the Institution and for the very courteous and considerate manner in which you have dealt with me personally and with the various matters relative to the Institution.

Your obedient servant
A. F. HILTZ.

Ordered that the report of the Finance Committee, as read be received and adopted.

The following is the report: **FINANCE COMMITTEE'S REPORT, 1908.**

To the Warden and Councillors of the Municipality of Annapolis County: Your Finance Committee beg to report that they have carefully examined all bills and accounts for the year 1907 and have attached the same hereto.

The amount of the presentment for 1908 is \$23,911.66, which we recommend to be assessed upon and collected from the ratepayers of this Municipality.

Respectfully submitted,
EDGAR H. PORTER,
Wm. C. HALEY,
T. G. HISHOP.

HALIFAX, Nova Scotia.

PLAYER KILLED IN A HOCKEY MATCH.

MOOSE JAW, January 31.—A fatal accident occurred at the hockey match here last night. Robert Gennell, a young farmer of Buffalo lake, was playing on Tuxford team against Moose Jaw and in a skirmish fell on the head of another player's skate. The steel pierced his groin, and he died in less than an hour.

Indigestion

Stomach trouble is not a symptom of, and is itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific disease—Indigestion. It is a disease which is the result of that now very popular stomach medicine—Dr. Shoop's Restorative. Being directed to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. With out that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and yellow complexion, try Dr. Shoop's Restorative. It is a cure of Indigestion, and will sell what it can and will do. We sell and cheerfully recommend.

HON. F. L. HAZARD WILL BE P. E. ISLAND PREMIER.

CHARLOTTETOWN, Jan. 31.—At a meeting of the government members held this evening Hon. F. L. Hazard was unanimously chosen to be recommended as premier. The Lieutenant Governor will only have to ratify the appointment. The date of the opening of the session of the local legislature was not decided but will be soon. The attorney generalship will not be decided till the meeting of the executive.

WHEN NOTHING HAPPENS.

Frequently you pick up one of the local papers and after glancing at the headlines wearily thrust it aside, marking, "Nothing in the paper today." Did you ever stop to think what that phrase—"Nothing in the paper today"—means? It means that in the day or week just passed no misfortune has befallen anyone in our town; that no fire has wiped out a neighbor's worldly goods; that the grim angel of death has crossed no threshold of a friend; that no man driven by liquor, hatred or fear has taken the life of a fellow human; that no poor devil, haunted by the past, or the misdeeds of some other, has crossed the great divide by his own hand. So the next time you pick up a paper that doesn't announce a tragedy, give a little thanks instead of grumbling because there is no news.

Don't Be A Cripple

If you have a sprained ankle, aching feet, lame muscles or children, you can cure yourself in remarkably short time by a free use of

Johnson's Anodyne Liniment

Rub the affected parts freely with the liniment—one application will work a wonderful change for the better—continued use will bring a sure and speedy cure.
