SPECIAL NOTICE.

The Editor of this Journal has assumed control of the Canadian Department of the *Poultry Monthly* published at Albany, N. Y., and beginning with the April issue, this Department will appear under his charge. The *Monthly* is without doubt the best poultry journal published in the United States, and its Canadian Dep't will be made a leading feature. We bespeak for it the support of our readers, and a glance at our business columns will show that we have been able to make very favorable terms for those who wish to take two or more of the journals with which we are connected. To those who wish to try the advertising columns of the *Monthly*, we can offer more favorable terms on yearly contracts than have yet been given, especially to those who are regular patrons of the *Review*. Write us for terms on any size space.

NOTES AND COMMENTS

THE ENGLISH *Stock-Keeper*

SAYS that Mr. Procter is sending over some buff Cochins to Mr. G. Pugsley, Ont. Is this Mr. G. H. Pugsley formerly of Brantford? Some one in Ontario has also been enquiring for brown-red Bantams.

MR. D. A. RADCLIFFE, AURORA, has bought all Mr. F. Goebel's black Langshans including the 1st prize cock at Guelph, Bowmanville, Milton, Galt and New Hamburg. He purposes devoting all his energies to this variety and is offering his buff Cochins for sale.

WE ARE SORRY TO LEARN of the continued illness of Mr. D. G. Davies, Toronto, but hope with the advent of finer weather he may soon be able to get around again.

INDIAN GAME COCKEREL—1st Crawfordsville, Ind., and 2nd Indianapolis, Ind.
