Protection from Lightning,
BY SPRATT'S PATENT.
LIGHTNING RODS manufactured by F. V. Wil-
son and H. Piper & Brother, 50 Yonge Street,
The Subscribers are the only authorized agents for
the sale of these valuable rods in the Canadas. Man-
ufactured and for sale, wholesale and retail, at No. 50,
Yonge Street, Toronto.
CAUTION.—Allow no man to protect your building,
without first examining the points of his rods, and if
they have not the Platinum Wire in the point, they
are not genuine. The coating of them is of a composi-
tion of metal that never rusts, retaining its brightness
for years. The metal is soft and easily cut with a
knife, yet sufficiently hard not to melt under the in-
fluence of electric fluids. Look out for rods man-
ufactured at St. George, C. W., they purport to be
Spratt's points and rods but are not. The points are
made of steel, highly polished, but will become coated
with rust after the first night's exposure to the atmo-
sphere, consequently rendering them useless. Always
ask for the Agent's Certificate of right to sell, and be
sure to notice the stamp—SPRATT'S IMPROVED
POINTS—this is on the points near the base.
Notice.—No Policy of Insurance covers losses by
Lightning unless buried down or set on fire.

THE "CANADIAN SON OF TEMPERANCE
AND LITERARY GEM," is devoted to the in-
terests of the Order of the Sons—to temperance gen-
erally—to agriculture and the interests of farmers—to
the advancement of Canadian Literature and Science—
and to general and political news. The effort of the
Publisher and Editor will continue to be to make an
eminently a home and family paper, filled with it
choice variety of reading matter. Our terms for 1854
are as follows:—
Single Subscribers, sent by mail, or delivered in the
city, in advance for within January, 6s. 3d., cy.
At the end of three months, 7s. 6d., cy.; at six
months, 8s. 9d., cy.; at the end of the year 1854, 10s.
cy. These sums will be considered as due and col-
lectable at the end of these respective periods.
Half-yearly Subscribers 3s. 9d., cy., in advance, and
\$1 if not paid till the end of the six months.
To Agents, Friends and Clubs, we offer these in-
ducements:—
To agents whose names have stood upon our Books
in 1853, if declining to act as such in 1854, 6s., cy.,
in advance, will be charged.
To old agents, collecting from old or new Subscrib-
ers, in 1854, \$10—or sending five entirely new
names, sending the money to us during the year, at
regular prices, a copy will be sent gratis.
To any old Subscribers sending two new Subscrib-
ers, at regular prices, 6s. only.
Ten copies of this paper will be sent to one address
for \$10. Twenty copies to one address for \$18. In
such cases it must be distinctly understood that the
papers will be done up in one package, and addressed
to but one person, or Division—and that these sums
must be paid in advance, or within January—other-
wise the usual credit charge will be made against the
person or division ordering them.
Any one sending ten new subscribers, at usual prices,
of 6s. 3d. each, (in advance,) may deduct out
of the money collected 15 per cent, and so for any
greater number. The Proprietor, however, gives notice
that he will not be answerable for the receipts of,
and payments to agents, travelling or otherwise,
whose names do not appear regularly as such in this
paper. Subscribers, before paying self-constituted
agents, should see that they are persons of character
or property.
The "SON & GEM" will be regularly issued week-
ly, on Friday afternoons,—dated and mailed on Satur-
day, so that most, if not all of our Subscribers will
receive the same in Canada East and West by Satur-
day evening.
Advertisements will be inserted upon moderate
terms.
All Postages must be paid by Subscribers and Con-
tributors.
