TROTTING IN ENGLAND.

ALEXANDRA PARK, London, Sept 13 .- A sweepstakes of 5 sovs each, with 80 added; heats; the second in the final received 10 sovs, and the third 5 out of the stakes; about two miles. Mr Ward's gr h Messenger, Lowisham,

Time, 5:25, 5:201, 5:29, 5:251.

The winner, Messenger, is a powerful grey standing about 15 hands lin, a beautiful mover, and when fairly extended goes a rare page. Rumour had that he came from America, and had cost a long figure, but though making inquiries, we could not get reliable information as to his previous whereabouts, though in appearance he certainly has the look of an Aral about him. All sorts of maneuvres were tried to cut him down, and oven gravel thrown at him, but this was of no avail, for he carried off the first prize after winning four heats easily. In the second heat Messenger showed to his best advantage, but he broke so badly in the third that the committee, to satisfy the " wranglers," were perhaps after all correct in ordering the lot to the post for the fourth heat. This the grey won in a very easy manner .- Bell's Life.
