The Jingle Book of Birds

By EDWARD B. CLARK.

16 colored plates. Price, 50c.

This book of jingling bird verse with its 16 colored plates of beautiful and characteristic birds will be certain to capture the children and to hold the attention and interest of the elders. The author is well known to bird lovers throughout the United States by his field sketches of bird life. Mr. Clark, in selecting the birds which are to illustrate his verse was careful to choose only those whose names, plumage and characteristics are such as to lend themselves readily to the motive of the verse. The lines are not jingles merely but jingles which have a well rounded purpose and much of pith and point. The color scheme of the cover of *The Jingle Book of Birds* will be strikingly beautiful. The younger ones, and the older ones, too, for that matter, will be delighted with this book for a Christmas gift. The author is intimately known to thousands of readers by the articles from his pen which have appeared several times a week on the editorial page of the *Record-Herald* for a long time past.
