 ESTABLISHED YEAR 1838.

**IMPROVED FIRE PROOF SAFE.**  
 The favor these Safes have won by their many and severe trials during the last quarter of a century, from the fact that not one has ever failed in preserving its contents, thoroughly establishes their reliability, and with recent improvements made during the past two years, we offer them as the most perfect Fire Proof security extant, and free from dampness.  
 Our Burglar Proof Specie Boxes made of combined iron and steel in a manner peculiarly our own, the steels so highly tempered and placed as to be beyond the reach of, and defy the tools of the most ingenious burglars, and when placed inside of one of our Fire Proofs produce a most perfect Fire and Burglar Proof security. Merchants having large amounts of silver on hand should not be without one.  
 We also manufacture Patent Combination Bank Locks, and the most modern Bank and other securities.  
 Lists of sizes and prices mailed on application.
