FLLOUE.—Receipts have been liberal for the season. No material variation in demand or value can be noted. Buyers restrict themselves to immediate local wants, while holders continued firm at about same rates as have ruled for many weeks past. The higher grades are only taken in smalls for city use. Strong Supers command \$7.60 to \$7.65 for single hundreds and broken lots, as needed. Ordinary Canada ranges from \$7.60 to \$7.65, commanding little attention. Welland Canal and city brands from Western Wheat, are placed with difficulty at \$7.45 to \$7.50. Little movement in the lower grades; No. 2 may be quoted at \$7.20 to \$7.30; and Fine, \$6.60 to \$6.65. Bags have been in better supply, and freely sold at \$3.65 to \$3.70 for Fair to Choice. *Rye Flour* only moves by retail at \$6.05 to \$6.10. The stock is in few hands, and held with moderate firmness, buyers, on the other hand, restricting themselves to actual wants.

OATMEAL.—No movement of note to report; the stock is small and in few hands, and held at \$6.80 to \$6.40.

GRAIN.—*Wheat*.—Receipts continue small, and wholly on millers' account. Rates are nominally unchanged, being those obtainable for limited supplies if immediately available. Please continue in demand for May delivery, and some unimportant sales may be noted at \$1.03 to \$1.04 per 66 lbs; some holders still demand \$1.05 which, however, has not this far been conceded. Oats are quiet without movement; holders ask 60c, buyers are indisposed to exceed 48c. Barley.—There is virtually none offering, and rates may be considered nominal.

PROVISIONS. — **Pork**—The market continues steady, with small consumptive demand at generally unchanged rates. **Lard**—Retail sales alone are made, mostly at 12c to 12½c. **Butter**—The demand is of the merest retail, and some holders who failed to take advantage of the recent excitement to quit their accumulation, are now anxiously casting about for buyers, and making long concessions without, however, effecting sales beyond an occasional package. Prices are likely to continue receding until an export point is reached.

ASHES.—Pots have met a good demand, and prices have gradually worked up, closing at \$5.80 to \$5.90. Pearls are neglected and mostly nominal, sales having recently been prodded at \$6.10.
