Scientific and Useful.

AN innovation in puddings is to add apples or peaches to the mixture called "cottage pudding." The fruit should be sliced, so that it will become soft in the short time required to bake the pudding.

LEMON BUNS are made of one-quarter of a pound of butter, half a pound of sugar, one pound of flour, four eggs, half a teaspoonful of sweet milk, two teaspoonfuls of baking powder, add lemon extract to your taste; currants, also, if you choose. Bake in a moderate oven.

LYDIA E. PINKHAM'S Vegetable Compound is a most valuable medicine for ladies of all ages who may be afflicted with any form of disease peculiar to the sex. Its remedies are not only put up in liquid form but in pills and lozenges in which form they are securely sent through the mails.

CORN CAKE. Sift together (so as to get it well mixed) two cups of Indian meal and one cup of flour, one heaping teaspoonful of saleratus, one cup of salt. Beat one egg lightly, mix with one-half cup of molasses and three cups of new or skimmed milk; into this stir the meal and flour as above prepared, and pour into hot gem pans or into common pans; cook in sheets and cut in squares.

A HOUSEHOLD Perfume. Every family able to appreciate and enjoy the pleasure afforded by a really healthful and delicious perfume, should supply themselves with the genuine MURRAY & LANMAN'S FLORIDA WATER. It is the most delightful and most lasting of all fragrant Waters.

HOP YEAST. Three pints of hot water, two handfuls of hops, five large potatoes grated, two tablespoonfuls of salt, one cup of white sugar, one cup of yeast. Boil the hops in the water, then strain it on the potatoes, add the salt and sugar and boil ten minutes, stirring it so it will not burn. When cool add the yeast. Let it rise and stir it down several times. This yeast will not sour.

THE secret of success in keeping codfish soft and light when cooked in milk, is that the fish must be picked in fine pieces, and soaked in cold water for at least an hour, then pour cold water over it, and after draining it put it into the milk, which you have thickened with flour; let this cook just long enough to cook the flour, and the fish will be done. A minute or two before taking it from the fire, add some well-beaten eggs.

A GOOD GUARANTEE.—H. B. Cochran, druggist, Lancaster, Pa., writes that he has guaranteed over 300 bottles of Burdock Blood Bitters to dyspepsia, biliousness and liver and kidney troubles. In no case has it disappointed those who used it. In Canada it gives the same general satisfaction.

POTATO FRITTERS are very nice for supper, and are made in these proportions: Three large potatoes and three eggs, two tablespoonfuls of cream, boil the potatoes and beat them until they are light; beat the eggs very light, and mix them with the potatoes, add salt to your taste, beat the cream in last, mould the potatoes into round balls, sift flour over them, and fry until brown in hot lard; drain them on a napkin before serving.

FRUIT PUDDING. Fill a pudding dish with slices of bread, buttered, spread each slice with raisins or any kind of candied fruit, beat two eggs with four tablespoonfuls of sugar; and add milk enough to fill the pudding dish, set into the oven and bake. When done remove from the oven and spread jelly over top. Have ready the whites of two eggs beaten to a froth, add three or four tablespoonfuls of sugar spread over top of the jelly; set into the oven and let it come to a light brown.

CHOCOLATE sauce to be eaten with cottage pudding, or with custard blanc mange, is made of half a pint of cream and half a pint of milk. Grate two tablespoonfuls of chocolate into this. Let it come to the boiling point, then add the well-beaten yolks of two eggs, or if generously disposed, of three. When the sauce is of the right consistency, take it from the fire and add it to the whites of two eggs, which you have beaten to a stiff froth, with a tablespoonful of powdered sugar. Flavour with vanilla.

A PRINCIPAL FORTUNE. A man may possess the fortune of a prince but can never possess happiness without good health; to secure which the blood must be kept pure and every organ in proper action. Burdock Blood Bitters purify the blood and regulate all the organs.
