

**Publisher's Department.**

**ADVICE TO MOTHERS.**—Mrs. Winslow's **SOOTHING SYRUP** should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as bright as a button. It is very pleasant to taste, it cools the child, softens the gums, allays all-pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from getting on other causes. Twenty-five cents a bottle.
