HALIFAX, N. S., CANADA.

DEALER IN

Relics of the various Tribes of  
NORTH AMERICAN INDIANS.

As the Mic-Macs, Crees, Sioux, Blackfeet, etc., etc., etc.

A large and carefully selected variety of war clubs, pipes of peace, porcupine quill work, moosehair embroidery, moccasins, bead work, birch-bark articles, nicely designed, etc., of the different nations, is always in stock, as well as many souvenirs of the NORTH-WEST REBELLION OF 1885. All are guaranteed to be the genuine work of the aborigines, and are interesting on that account to all who collect curiosities or take an interest in the native red man of the forest and prairie.

Great care will be taken to give full satisfaction in making selections for patrons who favor me with orders, and leave the choice of articles to me.

## To Collectors of GOINS AND MEDALS.

Dealing in Old Coins is with me a business, not a matter of recreation. It is moreover my sole occupation and consumes my entire time. My place of business is a large and well stocked store upon one of the most centrally located business blocks in New York. My facilities for obtaining Coins, Medals, and Books relating to the same are unexcelled. My stock in all lines is decidedly the largest and most varied carried by any dealer in the United States.

The advantage to collectors of putting themselves in communication with one who can supply their wants, no matter what their especial line, must at once be apparent to all who are interested.
